## **The Long Ride Home Marsha Hubler**

"The search begins for the parents Skye never knew. But what will happen if she finds them? On a trip to South Carolina with her foster family, Skye gets the shock of her life when the waitress at a local diner seems to recognize her. The woman proves to be Skye's long-lost Aunt Millie—Skye's first-ever contact with her flesh-and-blood family! As Skye and Mom and Dad Chambers attempt to track down her real parents with Millie's help, Skye's foster sister and best friend, Morgan, struggles with her own family regrets. More is at stake than anyone can imagine—and the outcome is one that only a truly amazing God can bring about."

### **Emily Drew says**

Very good book. I think there should have been a little more drama when the two ex's saw each other. But i liked it

#### **MY REVIEW:**

Marsha Hubler writes another great book in the Keystone Stable series with this 8th book - *The Long Ride Home*. Once again it's a wholesome story for young teens or older elementary ages kids and especially good for those who love horses or those who are foster kids. T

The books in these series are easy to read and the storyline gets you from the beginning. I appreciate the spiritual challenge that is held in this one - and in the others, as well.
