A BATHROOM FIXTURE

Since 1988, hundreds of thousands of people discovered the relief of having Uncle John in the bathroom with them! No more frantic searches at the last minute for that perfect magazine article. No more agonizing choices between light reading and the serious stuff. No more flipping through all six of the other *Bathroom Readers* looking for a page you haven't already read. The seventh volume has it all: Entertainment, humor, education, trivia, pop culture, history... and more! And it's still divided by length—you can spend a minute with the *Quickies*, relax with *Regular-Length* articles, or get really comfortable with *Long Items*.

With *Uncle John's Seventh Bathroom Reader* strategically placed next to that other important fixture in your bathroom, you'll settle in happily and read about:

- The Truth About the Bermuda Triangle
- The Strange Fate of the Dodo Bird
- How to Guess Someone's Age
- Six *Real* "Bad Hair Days"
- Why Your Feet Smell
- The Birth of Spam
- Pirate Legends
- & a Host of Other Great Bathroom Topics!

For years, the Bathroom Reader's Institute has researched your bathroom reading habits in an attempt to understand and serve the interests of America's forgotten readers. Enjoy!

Bob Cantrell says

The stories just keep on coming. But I really enjoy the one page articles that are made up of quotes by various people.
