A Vampire for Every Season!

Christmas for Eve: Much to the envy of her friends, Eve Moore is dating erotica author Adora LaFortune, bestselling author of Swelter, AKA Steven Jones, horror novelist. This holiday season, she's ready to give Steven her heart along with her presents. Then she finds out that Swelter isn't exactly fiction, and her true love isn't exactly mortal.

Candy for Valentine: When Valentine Carter attends her first romance conference, she soon learns that "The Blog Bitch" reaps what she sows. Renowned book publicist Michael Sanderson is a vampire. He mistakenly believes that the lovely morsel trussed up in his hotel room is a gift from his friends. After an evening with the delicious Valentine, he decides he wants to keep her. Forever.

Treats for Trixie: At Steven Jones's annual Halloween party, wanna-be romance writer Trixie Lulabelle Jameson is excited to be among the elite of the publishing industry. Literary agent Marcus Moravius is one of the oldest vampires in existence, and very used to getting what he wants. And the only treat he wants to nibble on tonight is Trixie.
