## 1,000 Places to See in the United States and Canada Before You Die (1,000 Places to See in the United States & Canada Before You) Patricia Schultz

Covering the U.S.A. and Canada like never before, and for the first time with full-color photographs, here are 1,000 compelling, essential, offbeat, utterly unforgettable places. Pristine beaches and national parks, world-class museums and the Just for Laughs festival, mountain resorts, salmon-rich rivers, scenic byways, the Oyster Bar and the country's best taco, lush gardens and coastal treks at Point Reyes, rafting the Upper Gauley (if you dare). Plus resorts, vineyards, hot springs, classic ballparks, the Talladega Speedway, and more. Includes new attractions, like Miami's Pérez Art Museum and Manhattan's High Line, plus more than 150 places of special interest to families. And, for every entry, what you need to know about how and when to visit.

"Patricia Schultz unearths the hidden gems in our North American backyard. Don't even think about packing your bag and sightseeing without it." —*New York Daily News*

**New And Improved**

I have the original print version of this book and this digital version is a vast improvement. It now includes full color photos of the places covered and some of the information has been updated. If you're a traveler and want to know what the US and Canada offer then buy this.
