## Meghan says

My only complaint is that they gave Devorah a Christmas story instead of a Hanukkah one.

#CanadianBookChallenge10 - canadian located + authored

Warm historical collection of stories featuring a variety of nationalities celebrating Christmas in Canada.

Excellent descriptions of family traditions including worship, decorating, meals, and gift exchanging experienced across Canada in earlier eras.

## Olivia says

Great book! I loved all the characters except a few that I won't go into great detail about. Overall an amazing book.

This entire series is a wonderful way to learn history or teach it to adolescents. I find today's generations seem to recall more when they learn through other people (pop songs, celebrity gossip, etc.), so what better way to teach history than through someone else's perspective? Yes, "authentic" diaries would be "better", but would the language really hold the modern student's attention? Did the diary writer know what **WOULD** be important in the context of history? Probably not.

This book contains eleven Christmas themed sequels to the following books:

If I Die Before I Wake, the flu epidemic diary of Fiona Macgregor;

Prisoners in the Promised Land, the Ukrainian internment diary of Anya Soloniuk; Turned Away, the World War II diary of Devorah Bernstein;

The Death of My Country, the Plains of Abraham diary of Geneviève Aubuchon;

No Safe Harbour, the Halifax explosion diary of Charlotte Blackburn;

Days of Toil and Tears, the child labour diary of Flora Rutherford;

Where the River Takes Me, the Hudson's Bay Company diary of Jenna Sinclair;

Not a Nickel to Spare, the Great Depression diary of Sally Cohen;

Blood Upon Our Land, the North West Resistance diary of Josephine Bouvier; Brothers Far from Home, the World War I diary of Eliza Bates;

and A Desperate Road to Freedom, the Underground Railroad diary of Julia May Jackson.

I think my daughters are going to really like this book and it's simple, yet effective, delivery of history through personal accounts. The reason I read the book first was to see if there were any Santa Claus spoilers as my oldest is 7. (There are!) She reads at a much higher level but she doesn't need everything ruined for her just yet. I've hidden this book away until next Christmas. We will see what her views on Santa Claus are then. This year she can still believe.

I'm sure if you read all of the original stories for each character this book would have been easier to follow. I was surprised a few errors in the book where I found myself turning the pages back and forth to see if I was missing one because the sentence ended in the middle.  
I few cute stories, not all of them concerning Christmas.

I liked all of the stories, so it was hard to pick a favourite, but if I had to it would most likely be either the first story about Fiona and how her sister had started to act differently, or the third story, about Devorah being upset about where she is spending Christmas, until she learns that the person she is staying with will be lonely when she leaves.
