**Boss Me Dirty (Billionaire Boss Romance Book 2) R.R. Banks**

*Dirty never felt this good.*

I'm known as The Greek Adonis in the business world.  
I'm a billionaire, and there's no obstacle I can't conquer.  
There's no women I couldn't tame.  
That is till I met Camille...

## **CAMILLE**

I love putting arrogant, rich boys in their place.  
He wasn't going to buy his way into this game,  
or win me over with his charm.  
I'm the only one that can help him out.  
Money doesn't impress me.  
So it will cost him something else.  
I will show him who the real boss is.  
And he will obey every word.

\*\*\* *A steamy STANDALONE contemporary romance with HOT Billionaire Alphas and Strong Women who want to be Bossed Hard. No cliffhanger, no cheating, and a guaranteed happy ending. Please note this contains a bonus box set and extras for your reading pleasure.* \*\*\*

## **From Reader Review Boss Me Dirty (Billionaire Boss Romance Book 2) for online ebook**

### **Kathy says**

This is the second book in R.R. Banks Billionaire Boss Romance Series. I thought this book was written well and the characters were fun. Robert is a rich businessman who doesn't like to not get what he wants. Camille is a very straight forward, no BS kind of woman. The two of them compliment each other as far as their characters are written. Robert is a bit surprised as to how Camille is but it's sexy. Then if you throw in their mix Dillion who is Robert's best friend and then Marisole who is Camille's friend you have an even better storyline and you'll enjoy the characters even more. It's a good light hearted read that will take you away for awhile and is completely worth your time. I voluntarily read an Advanced Reader's Copy of this book.

---

### **BP34 says**

What a steamy book with chemistry and passion that's off the charts. Billionaire Robert meets his match with Camille. Always in control before but Camille challenges him. A well written story that's so fun to read. You will like this second book in the series. I received an arc copy and voluntarily chose to review.

---

### **John Easom says**

I loved the way our tycoon businessman met his love interest in a Parisian soccer stadium ticket booth where he was attempting to gain entry without a ticket. Why on earth was he going to a soccer match when he had zero interest in soccer?

Well as we read it is all part of a business plan in order to gain the oil distribution rights for both New Zealand and Australia. An attempt to muscle into an organisation which is a closed shop of oil moguls.

The plot thickens when he makes a date with his ticket booth sassy lady and ultimately travels to Switzerland for a defining meeting with the oil cartel.

A believable story, well told, enjoyed by me. My problem was that it ended too soon. There must be another book here?

---

### **Nancy Bodie says**

This was a good story, the characters grow on you as the story unfolds. They do become likeable and I would like to hear more about them as this series progresses.

---

### **Babs says**

This is the second book in R.R. Banks Billionaire Boss Romance Series. Camille blunt and I love her character. Robert is a rich man and he is use to getting what he wants and Camille would love for him to want her. Then we have Dillon and Camille's best friends Marisole & Dillon.

The book does discuss a lot of business things such as deals, mergers etc but the romance is great too. The characters are well developed and you find yourself sitting on the edge of the seat waiting to see what happens.

Another great read by R.R. Banks.

I voluntarily reviewed an Advanced Reader copy of this book.

---

### **Rita Kunselman says**

This was a very good book that held your interest. It is about two couples, one that you will get to know intimately. You get to know each couple from when they meet to present. All four of them have different personalities which, helps you differentiate between the couples. The author lets you get to know them well. From their feelings, how they feel and why they feel a certain way. I recommend reading this book. I was given an Advanced Reader Copy to voluntarily give an honest review.

---

### **Ann (Fanni Ann) says**

This was a lot better, not as many techy terms and more romance, I enjoyed getting to know Robert and Camille and I can't wait to see if we get to hear more about Dillon.

I received an advanced copy and voluntarily left my own opinion

---

### **Kerry Williams says**

an interesting look into the world of corporate oil industry. You meet two powerful men and the ladies that capture their interest with their strong personalities. You find yourself pulling for each couple to come together at the end. The story leaves you wanting more to find out what happens with each couple to see if they form a love bond.

---

### **Jasmine says**

This second book in the billionaire Boss Me series is a great addition. This book is hot, sexy and full chemistry between Robert and Camille, and showcasing another couple, Dillon and Marisol and their chemistry. The two couples make this story great, but Robert and Camille have a great chemistry from their

first encounter until the end. I can't wait to read Dillon's story next.

I voluntarily reviewed an ARC of this book.

---

### **Andrea says**

DNF.

Got to 60% and gave up.

### **Do Your Reading says**

Boss Me Dirty

---

### **Cheryl Shearer says**

#### **Sexy little read**

Robert and Camille, Dillon and Marisol. Two unlikely matches who find in each other just what they need at the time. Robert meets Camille when he is out of his depth and Dillon is practically forced by Marisol's father to take her out. But love seems to swoop in and conquer all.

---

### **RoseyLovesBooks says**

Boss Me Dirty by R.R. Banks is a Contemporary Romance

Robert Acostis is a Monaco-based businessman with an immense reputation for shrewd dealings. Robert's friend Dillon Flannigan lost his investment in the failing Australian Oil and Trade Corporation after the company was turned over to the majority stockholder following the uncovering of embezzlement. Seeing an opportunity push his way into their distribution network, Robert Acostis says to "Dillon, what if I told you I could save your investment?" After some brainstorming, Dillon convinces Robert they need to convince the Executive Committee of Consortium of Oil Traders to allow Robert's company in, and in order to do that, they have to impress Sulagna Patel. Robert manages to get tickets to the sold out game from fellow Brit Camille at the call window, then uses his wiles to get into the luxury box at the stadium where he charms Sulagna into giving him an opportunity to plead his case before the COT board in Zurich in 2 days. After leaving the stadium, Robert asks the beautiful Camille on a double date with Dillon and Marisol. The date goes so well that Camille ends up spending the night at Robert's place where he discovers her bossy side. Robert is so smitten with Camille that he tried to convince her to join him in Zurich but unfortunately she had a meeting she had to be at this morning. Robert and Dillon set out the next day for Zurich and after talking about their dates, realise that they no longer wants flings, but something more meaningful. When Robert and Dillon arrive at their hotel, they find out that their meeting is in 3 hours instead of tomorrow. Dillon then sees a headline that the Australian Oil and Trade Corporation was saved. They'd been planning on picking up business from Australian Oil and Trade Corporation, but now that the failing company has

been saved at the 11th hour, what will they say to the board? Camille and Marisol surprise Robert and Dillon in Zurich. Will Robert be able to persuade Camille to be his?

*Boss Me Dirty* is suspenseful and super steamy. R.R. Banks paired an intriguing story with engaging characters for an entertaining read. I highly recommend this book.

I voluntarily read an advanced reader copy of this book

### **Alex says**

Unfortunately this book didn't live up to the title or the blurb. All the characters are one dimensional and there is no emotion what so ever. The story is boring and the romance doesn't fit with the story line at all.

---

### **Granger McGingot says**

Sorry, maybe this type of book is not my cup of tea. The story is too short with a twinkle romance in it. The background story is almost zero and the book mostly concentrates on the (small talks on) business dealings and negotiations (i thought this is a romance book?! Wait, what?!). Though there's some bed scene here and there, but i honestly didn't feel any "spark" of romance from the story....
