First Came Baby Kris Fletcher The perfect reason to stay?

Kate Hebert's fling with Jackson Boone wasn't supposed to be anything more than good fun. When she got pregnant, they married to please her dying grandmother, and Boone headed home to Peru. Now he's in Comeback Cove to arrange their divorce and meet his baby son. But when Kate injures her ankle, Boone is forced to stick around—and step up his dad game.

A little hands-on healing makes Kate realize how great a real marriage with Boone could be. But family had never been Boone's priority, and as far as he's concerned, Kate deserves the life she's always dreamed of. Seems they've done everything backward, and now Boone faces the toughest choice he's ever made...
