Fariha Hossain says

Here is why it lost the 2 stars

1.The writer Zayed Rahman had far too many similiarities with Humayun Ahman.As a writer you are supposed to create a new story,not copy the life events of another writer.It was really weird.

2.The main twist (zayed Rahman raping a young boy and him getting killed as part of the revenge) ,wasn't it the main twist of a novel of Humayun Ahamed?

I was really disappointed in the end.I was reading a great thriller and hoping to get shocked but the ending kinda ruined it.But I've heard great things about this series and the writing was good as well.So hope the next books are better.
