Prairie Fire Patricia Werner

In 1887, in the ranchlands of the Oklahoma territory, the beautiful Kathleen Calhoun is ready to start a life of her own. A chance meeting brings the handsome Raven Sky into her life. Sky is gentle and educated, but he is also a Creek Indian...Kathleen's attraction to Raven Sky is undeniable, but her dreams are haunted by the Indian savages who brutally murdered her parents. Torn, Kathleen flees Oklahoma and the arms of her beloved. Deep within, she knows she must return to the firm embrace of Raven Sky to feed the flames of her desire...
