யாழ்ப்பாணம் [Yavana Rani] யாழ்ப்பாணம்

Yavana Rani (Tamil:யாழ்ப்பாணம்) is a Tamil language historical novel written by Sandilyan. Its title translates to "Greek Queen" in English. The story is based on ancient Tamil poetry. It is a love story set around 2000 years ago, focusing on the Commander-in-chief of the Chola Army. The story takes place during the period of Karikalan, one of the greatest kings of the Early Cholas.

Balakumar says

This is a historical novel in Tamil by Sri. Sandilyan. The story is based in a historical background when the Chola king Karikalan was trying to ascend the throne after the murder of his father King Ilanchetchenni. The story line is spun around a chieftain named ilanchezhian and a Roman princess sent by the Roman king to take over the Tamil country under the confusing political situation arising after the death of Ilanchtchenni. Tiberius, a semi-historic warrior of Roman empire plays a part in this Novel as an aide to the Roman princess. The way the author takes the story in an interesting story-telling tact keeps us feeling that it was really a part of history and not a fiction

Preeti Pattabiraman says

Wonderful description of the Sangam period and of the Greeks and Romans. Lets read it for the queen??

Satheesh Singam says

I don't know how to read this book kindly help me to how to download and read

V.J. Eshwar says

Yavana Rani was the first historial fictional work I had ever read in Tamil. At first, I was very much scared that I might not be able to finish it because I hated too much description in any novels and especially after my dad warned me of the same in this book too but I must thank Sandilyan for changing my taste. Ofcourse the book was too much descriptive but every word written was underlined by his extraordinary imagination which made me live at the periods of the Cholas. He was one of the best. And I would never forget Yavana Rani... !!!

She is the best!!!

Asha says

just read

Stalin Devaraj says

Very Interesting Novel, but the author was highly influenced by cast, when we read his noveles, we can understand.

Udhayt says

Let me try to write a review in Tamil :)

Mani says

Nice story

Ramachandran says

The 1st book was a bit boring.. but the 2nd book was absolutely marvelous. Feeling proud to be a Tamilan..

Srikanth R says

The best book i've ever read.... Was struggling to read the last 10 pages with my eyes full of tears... Beats Ponniyin Selvan... Sandilyan is a genius... A MUST READ to all Tamils who are interested in novels....
