Excellent resource for adult and family nurse practitioner students preparing for their national certification exam. Contains over 1000 multiple choice questions with answers and rationales. Questions arranged in an easy to use format designed to help students prepare for the adult or family AANP and ANCC national certification exam.

Use the first section of the book to study by subject area. Questions divided into 14 subject specific topics (i.e., respiratory, endocrinology, hematology, urology). Test your knowledge using the 150-question practice exams (3 exams for adult students & 3 exams for family students). Special pediatric and geriatric sections too!

The *Adult and Family Nurse Practitioner Certification Practice Questions* lists and discusses successful study skills and offers proven test-taking strategies for the national certification exams.
