## **B is for... L. DuBois**

There's a new game at LA's most exclusive BDSM club, and everyone has to play.

Mae never imagined she'd be assigned to the most dangerous letter of alphabet... or paired with the most sinister Dominant in the club. The BDSM Checklist game doesn't scare Xavier, but he prefers leather and steel, and the submissive he's partnered with thinks silk ribbon is bondage equipment.

Pushed to her limits both physically and emotionally, Mae is shocked to discover how much she enjoys Xavier's touch. But in the end it isn't just Mae who will be affected by the unexpected chemistry between two seeming opposites. Xavier will have to decide if he's willing to trust the lovely sub with the truth about himself, as he proves to her that there's a darkness in her—a darkness that just might match his own.

## From Reader Review B is for... for online ebook

### **twelvejan [Alexandria] says**

#### **4 intense stars!**

Wow. Amazing.

Some people write verbose stories of 400 pages long, and yet the characters lack chemistry and the plot remain superficial. This one, though slightly over 150 pages long, packed great intensity, chemistry, and connection between the Dom and the sub. I won't say it's relatable because everything described in this book is painful and reminded me of backward medieval tortures, but I like how, despite it just being 3 days, you could feel the connection and bond forged between Xavier and Mae during their scenes. Not rushed as with all insta-love in crappy CRs, but slow and gradual - I supposed that's what BDSM is all about. Made me understand a tiny bit better why people do what they do.

Very well done.

#### **Conclusion: Give it a try!**

---

### **Cheryl Graham-Petit says**

B is for...

This story is unique and a little on the dark side. Add in some raw, edgy and deliciously sexy! A great story about an imperfect love that despite all the obstacles, it could lead to the most amazing things. Can't wait for the next book.

---

### **Ellen Gail says**

Perhaps not *quite* as good as A is for... (which is still FREE btw) but still a very worthwhile sequel.

---

### **Vivian says**

This was as good as the first one. The only thing I didn't like was there was no mention of Mae having any thing to eat or drink to get her strength back from those rough scenes. Also, I wanted more story, the story was to short. I really liked this one.

I highly recommend this series. Honest opinion.

## **Phuong says**

I am completely hooked on Lila Dubois's BDSM Checklist series and after reading her newest release, B is for...I want MORE!!! I was drawn to the sexy, brooding Dom, Xavier who hid his pain behind a mask. There's something very appealing about trying to peel the layers away from this type of hero and discover the man underneath it all. Xavier is only interested in BDSM play without letting emotions get in the way. I thought Mae was the perfect sub for Xavier. She had lots of spunk while showing a vulnerability of the unknown that was quite refreshing. She was not afraid to show her feelings as Xavier helped her discover her true self and admit what she likes when it comes to BDSM play. I really enjoyed the connection these two had with each other and the sex was hot and powerful. I could not wait to see if they would be able to overcome whatever held Xavier back emotionally. I will say that I wished the ending was longer; it felt like the ending stopped a bit too soon. Other than that, I loved this story and I'm already wanting the author to write C is for...

## **The BookChick says**

### **B is for...**

Another exciting installment from L. Dubois. I am enjoying this series because it's not all about the sex and domination but the connection that develops and grows between the characters.

## **Sarah says**

I enjoyed this story even more than the first. We meet a new Las Palmas pairing. The private BDSM club has assigned members letters of the alphabet. Each pairing must explore all items on the BDSM checklist, under that particular letter, that both have marked with interest. Mae and Xavier are total opposites - sweet, soft, and bratty versus hard, demanding, and unyielding. Both are taken aback by the pairing. Xavier tests Mae's limits with the harder side of BDSM, and, in the process, uncovers surprising truths about both of them.

Mae's softness is the perfect complement to Xavier's harsh nature. Right from the beginning, we know that there's some sort of internal war that he's fighting. BDSM is his solace. His way to quiet the demons in his head. Also, I love that he wears such a full mask at all times. It only makes him more mysterious. I'm also a huge fan of strong, independent heroines. Mae's submissive nature never diminished her as a person. I like that a lot. I was rooting for these two all the way and really hope to see them again. Their chemistry is off-the-charts hot, and their banter reinforced the connection between them. The ending was abrupt in that I was wanting more pages, but it fit them quite well. I think I cursed out loud when I finished the last sentence.

I received a copy of this book in exchange for an honest review.

### **liz says**

I am really enjoying this series of novellas.. I was looking for something different, something light and easy to read, but still kinky and hot. I am just curious as to exactly how long I will have to wait for the other 24 letters..... I am not a patient person!!!!

---

### **SiKReviews says**

When I received this book, I got so excited! As you will see in my review of the first book in this series, my inner sub was very excited over the that book. Ever since, my brain racked itself thinking of what BDSM terms start with B. Beatings, Bondage and Branding...oh my..... Yes my inner sub loved the subject matter. The story of Mae and Xavier is a thing of beauty on top of it. Scared of her masochist side, Mae is known as a little girl sub, but the owners of the dungeon must have seen more. Xavier was severely hurt in the past both on the inside and out, and those owners know exactly what his Sadist side needed, and brought X and Mae together to burn up my Kindle. Again, the events, especially the branding scene, played out in my head like I was really there. That is the type of book that can get my motor running big time! I would like to see the books from here on out a little longer but that is my preference and has nothing to do with the quality or total droolworthiness (yes I made up the word, get over it!) I give this book on droolworthiness to my inner sub alone 5 Hearts.

Now C is for oooooooooooooohhhhhhhh this is going to be fun!

---

### **Tamara says**

Love the Characters that Lila creates...they may start out as tough to root for but pretty soon there is nothing stopping you from rooting for Xavier and Mae and realize they are just what the each need even when that isn't what appearance say.

Once again Lila has a surprise gotcha at the end...just like in "A is for..." Different surprise but just as good. Now we all have to wait for C...saw the cover in the RT pictures so hopefully Lila and FarmBoy Press will be able to get it into our "hands" quickly. I can't wait for the next surprise!

---

### **Audrey Carlan says**

The author's writing...incredible. The characters really interesting and held my attention from start to finish. What was most appealing was the authors ability to explain the inner dialogue. She really has a knack for expressing fear, excitement, and everything in between.

I personally enjoyed A is For... more than this one only because I liked the ending better. I personally felt the

ending just fell off in B is For.... Yes, the reader can imagine whatever they want, but I'd prefer to know for sure that a HEA took place. With these characters conflicting emotions I couldn't be certain. That's the only that kept this from being a five star read for me.

I will definitely read C is For... if the other continues through the alphabet.

---

### **Dar says**

I really, really liked this book. There is something that is fresh and open about the story and characters that is very appealing!

---

### **TinaMarie says**

I won a copy from the author and I'm so darn lucky I did. I read this in one sitting, unwilling to put it down. This one is more intense than "A is for ..." There are things that may make a reader feel uncomfortable or want to hide her tender bits but it was enthralling to read and watch as Master Xavier tries to push her away thinking she's too lightweight for him, then changes to discover there is much more to Mae's submission. Even with all of that going on Lila has more surprises at the end. When I got to the last page I wanted MORE, MORE, MORE!

---

### **Spynonu says**

Sugar sweet fun with a tiny bit of angst thrown in for good measure. Loved it.
