A bachelor auction, a plan, and a night that will change everything.

Amber Wilson is tired of her boring life. She craves something more than just the average day ho-hum. When her best friend gets tickets to the hottest event in town, Amber sees her chance to live wild for one night.

Thomas Baldwin and Jake Grant have watched Amber from a far. They know she is the one woman who can complete the life they've made for themselves. The woman who will accept their love for each other while filling the hole that remains.

The plan - get the auction tickets to Amber's friend, get her to bid and win Thomas, then use every trick in the book to seduce her into becoming theirs.

Forever.

## Siry says

La portada me gusto :p, a quien no le gustaria estar en medio de dos sexys hombres? XD

La historia aunque corta estaba entretenida, y me pregunto si en algun lugar haran esa clase de subastas.. si tuviera dinero obviamente estaria mas que encantada de donarlo de esa manera..

Los personajes.. estaban bien.. sobretodo Jake Grant que seria el hombre perfecto :p.. con su lado dominante y sexy.. aunque esta historia se favorecio mucho con el otro personaje masculina, Thomas.. que es el que esta atento a las demas necesidades de Amber.

En el amor, pues era una historia bastante corta asi que no se desarrollo mucho que digamos, fue mas atraccion fisica y el deseo que sentian entre si :p

Primera vez que leo un libro con tres en la cama :p

## Dominus~ says

It was really a good concept but it would have been more fun, in my opinion if there is a little doubt for the girl. I mean I know it's a short story but it feels sudden. And isn't that kind of auction illegal?

Una buena historia, romántica y erótica, si eres de mente abierta embárcate en el amor que sienten nuestros tres personajes ^\_^

Short, sexy and steamy novella.

A cheating ex has made Amber overly cautious where relationships are concerned. She hasn't had any excitement in her life, aside from ogling and fantasizing about her hot as sin landlord and his (business) partner Jake. When her friends decide it's time for her to come out of her shell, they talk her into attending a fundraiser where eligible bachelors are to be auctioned off. Though shes a bit reluctant at first, the evening quickly gets out of control. Before she knows it, she has just spent five thousand dollars on Thomas. When he takes her to his room, there's another (bigger) surprise waiting for her. Now it's up to her to determine if she can handle having her fantasies come true.

Short but very hot. Thomas and Jake were so sexy - they were playful, loving and sweet. Amber couldn't help but fall for them. Neither could I. Great read.

Betrayed three years ago, Amber Wilson has kept herself sheltered from the dating scene, not wanting to be hurt again. The only two men who even had her wavering on the fence is Thomas Baldwin and Jake Grant,

something about the two of them has her imagining risque images but her curiosity has not had her break out of her shell.

When her friends secure tickets to a Bachelor Auction, she decides to take a chance and bids on Thomas Grant. What Amber does not realize is Thomas and Jake know she is the one for them, and they have set course a night of pleasure to show her what they can offer.

A fun quickie.

Liked it, but it totally could have been made into a full length novel and made even better.
