This is a good boxed set. Several stories about the cowboys at Brush Creek ranch and how they all found the love of their own lives. Some of the brides and cowboys were broken mentally and healed with counseling and love. Also included in box is the stories of Horseshoe Home Ranch. How some came to be at Brush Creek.

### **Great Set**

I enjoy reading a series of books where the stories and characters are connected. Also like cowboy yarns. I don't read stories with graphic and steamy sex scenes and descriptions. These books were all that and enjoyable.
