First 100 Animals Sticker Book Roger Priddy

There are more than 100 amazing animals for your preschooler to discover inside this fun activity book, which has over 500 fantastic stickers. Organised into groups including pets, farm animals, and undersea creatures, the colorful pages feature animal photographs to look at and names to read, and learning becomes interactive as children find and match the correct stickers to the correct spaces. As well as helping children to learn about animals, this is a great book to build their vocabulary, and develop hand-eye coordination skills.

Bree says

WE FINISHED IT! From front to back! It was so fun to watch him learn were all the animals went! This is a perfect book to have for outings when you need a fun distraction! It worked every time for us! These sticker books never get old! We love them. This one is actually his favorite because the stickers are big enough and they are all animals, which is his favorite right now! I would definitely recommend this and buy it again! :)
