## **Short chapters strong message**

I looked forward to reading a new chapter every night before bed. They were so moving and inspiring. Each one gave a new theme to unwind to before bed. The only thing I would change is to make the book longer. Another easy to read yet powerful book from Mad Lucado

## **Great Devotional**

Max Lucado is one of my favorite authors, so I am not surprised that I enjoyed this devotional as much as I did. It uses excerpts from some of his books paired with relevant scripture. Recommend.

## **The Book Man says**

I had a 40-days journey with Lucado's encouragement.

~ "God is whispering to you. Those are His arms you feel. Trust Him.  
That is His voice you hear. Believe Him."

~ "God speaks in our world. We just have to learn to listen for Him amidst the ordinary."

~ "That's your sin I'm feeling. That's your death I'm dying. That's your resurrection I'm living. That's how much I love you."

~ "Your goodness can't win God's love. Nor can your badness lose it. But you can resist it. DON'T. For heaven's sake, DON'T."

~ "The stone was moved – not for Jesus- but for the women; not so Jesus could come out, but so the women could see in!"

"When times get hard, remember Jesus. When tears come, remember Jesus. When fear pitches his tent in your front yard. When death looms, when anger sings, when shame weighs heavily. Remember Jesus. Can you still remember? Are you still in love with Him? Remember, Paul begged, remember Jesus. Before you remember anything, remember Him. If you forget anything, don't forget Him. "
