How to Flunk Your First Date Megan Stine (Adaptor)

Ashley is so jealous. Mary-Kate has a new math tutor--and he's totally cute! The problem is, Mary-Kate couldn't care less about cute. Her math lessons are making her miss basketball practice--and that means she won't be able to play in the big game! So the twins decide to switch places. Now Ashley is working on fractions with the tutor, while Mary-Kate is working on her jump shot.

But can they fool everyone long enough to get what they want?

Ich fand es ok

Maisie says

Look at how cute they look on the cover! Hahaha so old

Annabel says

I absolutely LOVE two of a kind, Mary-Kate and Ashley are so cool! They get up to all sorts of mysterious adventures and the names are so cool! So little time books are good too, I can't wait to read the sweet sixteen ones as well!

Ooh yeah - I read me some Mary-Kate and Ashley. AKA The Olsen Twins.

This is another bunch of books my girls are throwing out. Having never seen the tv show and pretty much having no idea who these people are, I thought I'd have a speed read to see what I was missing out on.

Not much.

I mean, it was ok. Regardless of the photos in the back, it was very apparent that this was an episode of a comedy show. I could almost hear the audience laughter after every second line of dialogue. It wasn't exactly an original story - weyhey, the old twin switcheroo! And one of the girls has a crush on an older boy who's a maths tutor. And there's a sideplot involving the dad asking out a girl. But at least there's some actual maths. And it's never like 'oh, maths is so hard cos I'm a girl'.

Yeah, I don't think I've really got anything else to say. It's fairly inoffensive and I wouldn't have a problem with my girls watching it. But I wouldn't encourage it.

Again such nostalgia and a great read! Perfect hour spent in the bath just chilling and reading about the mischief they get up to. Can't wait for the next!

Alisha Brook says

I was a huge fan of Mary-Kate and Ashley Olsen and was on an endeavour to collect all their movies and books.

Two of a Kind was a cute little series that offered interesting storylines.

Amina says

It was funny and really touching it was awesome
