Kaplan's Essentials of Cardiac Anesthesia Joel A. Kaplan

Practical, user-friendly, and to the point, the newly updated ***Kaplan's Essentials of Cardiac Anesthesia, 2nd edition*** focuses on the most common topics and clinically applicable information in cardiac anesthesia today. Designed for residents, nurses, and clinicians seeking quick, high-yield answers rather than the encyclopedic information commonly found in larger references-in fact, its concise format makes it easy to complete a section in a single sitting. For an initial introduction to cardiac anesthesia, nothing compares to ***Kaplan's Essentials!***
