Nicky says

The scope of the story really narrows in SVU 34, we get:

- Jessica and Nick infiltrating the Verona Springs Country Club as Perdita the Argentinian and Chip the prep, to investigate the caddy murder.
- Elizabeth and Scott Sinclair, at the country club ostensibly to cover the tennis tournament for the society pages of their newspaper, but really to investigate the caddy murder.
- Tom is at the country club to moon over Elizabeth and investigate the caddy murder.
- Lila and Bruce also spend all their time at the country club, but they don't care who gets murdered.

I don't know where Nina is, or Alex, Isabella makes a fleeting appearance. I have no idea why these people don't have any classes.

Elizabeth and Tom aren't together in this instalment but they sure think about each other a lot and the people they're with at the moment are complete psychos. Tom's gf Dana is a redhead, which tells you all you need to know if you've ever read a Sweet Valley book. Scott is Elizabeth's reporting partner, she's made it quite clear that she is not interested in him but he insists on forcing his kisses on her.

I think the next book is the last in the Verona Springs saga. At least I hope it is. I'd give anything for a bit of sorority drama! A college sports scandal! Anything!

SWEET VALLEY UNIVERSITY

Written by Francine Pascal

General Review for series as I cannot remember each novel.

I read Sweet Valley University when I was in junior high school to high school. While there is sexual content it is very mild (not explicit) compared to teen books today. If you like the Sweet Valley High you will love this series as it continues with the twins' story as they attend University and are away from their parents. I am not sure how they would relate to teens today as this was before cell phones were common and social media. They are fun teen romances with "real-life" situation. I did not complete the series as I started to save for school so I wasn't able to collect them any further (they are out of print). I still have the books I bought and may try to read one again (I did reread the series a few times).

I have read so many of these books I can't remember all of them.
