Big Greek Baby Secret Holly Rayner

**Three unforgettable days,
Two lovers, 5000 miles apart,
One big baby secret...**

Maxine White is stuck in a rut, with lofty aspirations, and yet no idea of how to pursue them. Presented with the opportunity to fly from chilly Wisconsin to sun-scorched Greece, she gladly seizes it. But when her work conference there is canceled at the last minute, she's left with three days to fill, and that's when she meets him...

Dimitri is a Greek Adonis, straight from the cover of her romantic beach read of choice. He's charming, alluring, and above all else, mysterious. Indeed, she soon gets the funny feeling there's something he's not telling her...

Throwing caution to the wind, Maxine falls head-over-heels for him, but soon faces the fact that it was a mere three-day romance; a brief a holiday fling. Returning to dusky Wisconsin, It's only three months later that she realizes he's has left her with a life-changing discovery—she's pregnant, and she doesn't even know the father's full name!

As she sets out to discover her holiday lover's true identity – and inform him about their baby secret – Maxine uncovers a tale of wild romance, noble heritage, and a lonely billionaire in desperate need of a woman to love, and a family all of his own...

This is the third book in Holly Rayner's Billionaires of Europe series.

When Maxine gets offered the chance to go to a conference in Greece for work she's excited about it. However once she arrives she learns that its been canceled due to a strike at the airport. So she gets a paid holiday since she can't return home yet. Dimitri comes across his housekeeper trying to run a trespasser off and stops the beautiful woman just as she starts to walk away. Maxine is stunned by the Greek stranger and stays to talk to him. One thing leads to another and Dimitri is offering to be her tour guide while she is staying there. They hot it off and even though he knows that he should stay away from Maxine he can't seem to stop himself. Their last night together they end up in bed and then Maxine leaves the next day. Maxine discovers a few weeks later that she is pregnant but when she goes to find Dimitri she can't locate him with that name after showing his picture to a friend she learns that he gave her a different name from his real one. Turns out her Greek tour guide is a billionaire.

Holly Rayner has created a fantastic and beautifully written romance story about Maxine a manager of a telemarketing company who dreams of owning her own bed and breakfast and Andreas a young man from a noble family living in a secluded villa in Greece. While stranded in Greece, Maxine begins a whirlwind fling with Andreas. Unfortunately fantasy and reality cross paths and Maxine must return to the states. Full of laughs, heartache, doubts, fears, passion, a secret baby, and love. Readers will fall in love with Andreas and Maxine as they discover what love really means and they find that one special person who loves them for who they are and supports each other through life. A passionately romantic book that readers won't want to put down.

I just loved Maxine and "Dimitri" they are both such great characters with the innocence of Maxine having never traveled nor had much of a love life and Dimitri struggling with wanting to spend time with her and falling for her while knowing he has a secret. There are loads of lol moments as well as sexual tension along with will they or won't they get it on. After Maxine got back from her work vacation it was great to see her really star to work out what she wanted in life and I just wanted her to hurry up and go find Dimitri thank god for her friend Katie! This was a great read and now I want to go back and read the first 2 books in the series :D

Clean contemporary romance between a mysterious man & naive woman on her 1st international trip

The author does a great job describing the overall plot of the story, so to prevent the possibility of accidentally revealing a twist, I will not add anything further about the plot.

A few of the scenes really made me long to travel to Greece and the Islands around it, especially as it has only been about 2 months ago that I visited my first authentic Greek restaurant (so good and the scenes where they discuss food made me hungry :)).

This story is a clean romance, with no adult language remembered, fade out intimate scenes, and no violence.

I volunteered to leave a honest review of an ARC from the author and Booksprout.

This is the third book in the Billionaires of Europe series by Holly Rayner but is read as a standalone. . You'll begin in Greece with a three day Holiday fling with Maxine and Dimitri. Maxine then returns home to the US and the real world never knowing the last name of her holiday lover. Later a baby surprise opens up a whole world of secrets, exploration and romantic adventure. Join Maxine and Dimitri as they take you on a Romantic roller coaster like no other. Well written with likable characters and an entertaining storyline full of romance and adventure. This story was a combination of both sweet, romantic and sexy read and somewhat angst and mysterious elements to it because when Maxine finally realizes what she took home with her, her hot and sexy mystery man who turns out has a sad past filled with guilty and misconceptions against his family. I loved his name as well, Andreas! ;)

These two have to go through some obstacles and jump through some hoops to reach their happily ever after

but at the end everything worked out <3

I also loved Maxine's character so much! She knew what she wanted and was determined to find the father of her baby no matter what... of course, because of the circumstances of Andreas's past, he almost let her go once and he actually let her leave the first time they were together, those three days that Maxine had a paid vacation when... can't spoil everything for you guys, so go and read this story, you won't regret it :)

Big Greek Baby Secret (Billionaires of Europe Book 3)

By: Holly Rayner

Claiming Her Big Greek!

She's finally traveling, even if it's a work trip, when the event's cancelled, & she's suddenly left with the opportunity of a lifetime...

A work-paid Vacation! Whoo Hoo!

Now, with the Freedom to explore Greece at her leisure, she decides to take some risks she mightn't've otherwise taken...

He's living under a FAKE Name, hiding from a hurtful past, what he meets her...

To say she pulls him outta his shell into the living again is an understatement...

It's only after she's gone that he realizes what a mistake he's made in letting her go, but he's too wrapped up in wallowing TO. GO. GET. THE. GIRL...

Instead, she's the one desperately searching for a Big Greek Ghost like a Needle in a Haystack...

Only to receive a Huge Surprise, a less than Stellar Welcome, & finally a Hurtful Sendoff when she does Track his TRUE IDENTITY Down...

So much for Crossing Oceans to share life-changing NEWS!!

I LOVE Holly Rayner's books; she's my go to girl when I'm looking for a Moderately Clean, yet certainly Se*y story! Whenever I see Holly's name on a cover, I know it's gonna be a good read :) It's gonna be a Feel-GOOD, let myself go piece of self-indulgence, & let me tell you... Holy HOTness...Has she ever hit it outta the ballpark again giving us another truly Spectacular performance! Okay, okay... When hasn't she! LOL :) I was granted this ARC of Holly Rayner's "Big Greek Baby Secret (Billionaires of Europe Book 3)" via Booksprout, & of course I'm ecstatic to recommend it to others, because it's an excellent read...Trust me, this is a One-Click straight into your library Read! Don't miss out, because NO Matter the settings & or character type she's writing about, Holly Rayner always brings it home for the readers. All opinions expressed within this review are uniquely my own & freely given.

Until next time... Happy Reading!

Maxime was out of Wisconsin for the first time for work.

Or that was the plan, but thanks to strikes the conference she was going to was cancelled, leaving her with three days holiday in Greece.

Walking on the beach so goes a little too far and meets Dimitri at the beach of his villa.

He is living there out of the world, but after talking with Maxime he wants to know her better and he offers her to show her the island as guide. She says yes and three romantic days with them exploring the island follow. On the last evening they can't say goodbye and Maxime stays the night.

I could have done with a little more details of this night, because with a handsome man like Dimitri it would have been a very hot one, but okay.

He lets her go home and she goes. Both can't forget each other, but only after some time Maxime discovers she took home a present, his baby.

Since he didn't give her his real name and since he moved, she has difficulties to find him.

And will he believe her story when they meet again?

For that you have to read this book, you won't regret it when you are into a sweet Greek billionaire romance.

In the last year I have started reading the books written by this author and most of them I have just been fascinated by. This one, however, I just loved!!! It had a really good story line that felt just complete while reading it. More or less everything about this story felt right while reading, and the love story being told was a real feel good story. Of those I think there is just not enough of!!! Feel good stories as all feel good things can never be too many of in any way. So if you are looking for a feel good book to read in an evening this could very well be a good option for you.

I received this book with the understanding that I could leave a voluntary and honest review.

In this book we Maxine and Dimitri. Maxine is in Greece for a business conference that has just been canceled. When she is told she has a vacation on the company and to have fun she plans on just that. Little did she know her first stop would be trespassing on Dimitri's property. Little did she know this mistake would turn out to be the best thing for her. Dimitri is shipping and the strike that has cancelled Maxine's conference has also made his job so much harder. So when he sees a beautiful woman on his property he wonders if she could be just what he needs to help with all his stress. Can these two find a HEA after the vacation is over or will it just be that fun time they once had?

This is a great story. It has its ups and downs I really want to tell you about. However I don't want to ruin it for any other readers. I will say that this book will have you hooked from the first word to the very end. I would highly recommend it to anyone and everyone.

Isha Coleman says

Rayner takes a stroll down heartbreak lane with a sentimental tale. Dimitri and Maxine pack on the holiday romance with a handful of summer surprises. Exotic locations, steamy romance and heartwarming new beginnings await. Big Greek Baby Secret is the perfect getaway for lovers.

Erica Paré says

What could go wrong on a paid work vacation? A strike at the airlines leaves Maxine's schedule wide open. During this time she meets a man named Dimitri and he offers to be her tour guide showing her the places real Greeks go to and not the touristy places. You can tell there is chemistry between them but with her inexperience and him obviously hiding something it takes way longer for them to give in. But a few months later, after vomiting on a guys shoe at the club, Maxine discovers that shes pregnant. We follow as her and best friend go on the hunt trying to search down the man who they know nothing about. Did I forget to mention that Dimitri isn't his real name?

Maxine is a strong female character who goes after what she wants. She wanted the work trip, wanted to tour the city, wanted to find a job near the water etc. Her and Katie are great together. Everyone needs the best friend who will push you out of your comfort zone but support you at the same time. I really liked her.

Chris Bennett says

Loved it!!! Of course, I'm a Holly Raynor fan, I might just be a bit biased. The story was well written and flowed smoothly with logical stages. The characters were terrific. Maxine and Dimitri/Andreas meet on a Greek Isle, followed by three days of close interactions. Can you imagine anything more romantic? Neither can I. The chemistry between them practically sizzles off the page. I was absolutely hooked from beginning to end of this one. If you're a fan of Holly Raynor, or not really, this book is a must read.
