## **Cullen's Love** Linda K. Hubalek

Although postmaster Cullen Reagan is a strict “go by the rules” man, he secretly wrote letters to a mail-order bride for an area rancher, because the man couldn’t read or write.

Rose Leander, one of the Flying Leanders, a famous circus tightrope act, is injured in a circus train accident. Wanting to start over in a quiet frontier town, Rose answers a mail-order bride advertisement.

Cullen is caught between a rock and hard spot when the rancher abandons his handicapped mail-order bride, and Cullen’s father, a pastor, insists Cullen help the woman he deceived—because Cullen wrote the letters.

Will the couple grow to love each other after they are thrown together by circumstances neither of them planned for?

Cullen's Love is a stand-alone sweet historical romance set in 1887, but you'll want to read the whole series to enjoy the stories of the Clear Creek, Kansas community.

### **Wonderful sweet story**

Reading the story of Cullen and Rose kept me reading way past bedtime. Such a moving story of Rose finding love despite disabling injury. Cullen's emotional wounds also he him struggling with weather or not he wanted a wife. I found myself reading on and on rooting for them!

From chaos to sweet bliss, you'll love this happy ever after!

Cullen finally faces his future and his past! Linda did an outstanding job with this edition of the Grooms of Honor series! Throughout this series, she's perfectly matched each groom with exactly the perfect blend of wild and demure, outspoken and humble, gorgeous and faithful! This one beats them all!!

If you haven't read them yet, I highly recommend this series!! Books about Seth and Tully are right on the heels of this one, so get busy!

Cullen's Love Cullen (Grooms with Honor) by Linda Hubalek is Cullen Reagan and Rose Leander's story. Cullen has been writing to Rose for a local rancher who can not read or write. In his letters Cullen has been writing beautiful poems to Rose. That is the reason Rose decided to come to Clear Creek, Kansas. But, Rose has a secret of her own. Injured in a train crash she is not able to use her arm, but she was a performer in the circus. When her intended groom learns of this he call off the marriage. Cullen is a good man but has issue due to his childhood. His mother was a "soil dove." He did not know who his Father was until he showed up in Clear Creek. Cullen will never be able to open his heart to Rose and Charlie until he lets the past go. Another emotional, heartwarming, sweet visit to Clear Creek. It is always a delight to catch up with the Reagan family and the unique, quirky folks who make Clear Creek, Kansas their home.

Cullen Reagan lived his life in the shadow of his past. his mother worked in a brothel and he lived there until the age of 6. He has a good heart and is helpful in the Community.

Rose Leander of the famous Flying Leander's comes to town through Cullen's help to a man who wants a wife.

Rose is rejected by the man who asked for a bride due to an injury that left her unable to use her arm.

Cullen's family stepped in to help her, and trying their best to get Cullen to see the light and marry her.

These two young people have so much in common and Rose wants a marriage and home. Can Cullen work through his past and become the man he needs to be to make Rose happy?

I received an ARC of this book for review. All opinions in the review are my own.

You will love this book.

#### **THE MAN AND WOMAN MET BY CHANCE, BUT IT WAS DESTINED TO BE**

I enjoyed being back in Clear Creek, Kansas with another wonderful addition to the Grooms With Honor series. Each of these books will read as a stand-alone and even better when you read each of them, preferably in order. The Reagan family will become near and dear to your heart. This addition will be the story of Cullen Reagan and Rose Leander.

The phrase, 'no good deed goes unpunished,' quickly becomes a reality for Cullen Reagan. Helping German immigrant, Richard Kandt, by writing a letter to a mail-order bride agency and then by writing letters to his intended bride will backfire on him. Richard needs a strong woman to help on his ranch, and when the delicate and injured Rose Leander gets off the train, Richard will back out.

Rose Leander needs to have a quieter life, one not living on the go, on trains, and never stopping. Being part of the Flying Leander family had its good and bad sides. But after a train accident where she was injured, she cannot perform and has decided to become a mail-order bride and start a family. She was moved by the beautiful letters and description of Clear Creek, Kansas and will accept the offer of marriage by Richard Kandt.

The story is a journey and new beginnings. While Cullen does not ever see himself marrying, he is placed in a sticky situation. With Richard backing out of the offer of marriage, Cullen's adopted parents, Patrick and Kaitlyn Reagan are pushing him to step forward.

"I think we'd have a lot in common, Mr. Reagan. I accept your marriage proposal."

The Reagans will allow Rose to stay with them and will also have family dinners. During the dinners, it will come to light about Rose's family and the circus. That will be another point of contention with Cullen, the clothing she wore for performances and the fear that she will grow restless and leave. There are times he feels she is manipulating him and that doesn't set well.

"His life was being taken over by a circus ringleader."

Cullen has bitterness about his mother's life in a brothel, and how he was kicked to the streets when she died.

Meeting Charlie Moore and introducing Rose to him is healing across the board for the three of them. Letting Charlie tell him more about Cullen's mother changes some of his opinions, but then Rose is willing to add Charlie to the family.

Will the truth about his mother that he has since learned from his father heal the heartache and bitterness he feels? Cullen will learn more about his past and how he really was loved. It also gives him closure and offers him a chance with his biological father. Rose is the balm that he has needed in his life, and she has the personality and stamina to make things happen.

“Who knew writing letters for another would bring the love of his life to town?”

The story has a great cast of characters and many people from previous stories. It deals with regrets, misunderstandings, preconceived notions, unique individuals, new beginnings, and family. The Grooms With Honor series is a great way to see that things sometimes are worse in our imagination than what was the truth. For a six-year-old child, those memories will be changed as an adult, once the history and truth are revealed. The story is a clean historical western romance.

#### **An honorable marriage**

Cullen's letters to Rose were meant to match her with another groom. Upon her arrival, she was rejected for not being whole and strong enough to take on the difficult work needed to create a home from nothing. Rose came seeking a husband and a home. Was Cullen ready to become the man who captured her heart?

I loved this book, & really enjoyed reading it! It is a lovely, & heartwarming story. Cullen Reagan, is the postmaster in town. He is a quiet & caring man. Having his own insecurities that he's carried since childhood. Cullen, helped his friend, write an ad for a mail order bride. The day she arrived, things did not go as planned. Rose Leander, had recently been in an unfortunate accident, & was injured. Because of it, she would not be able to do her job properly. Rose longed for a normal life, & to be married, & have a family. When everyone hears that Cullen corresponded with Rose, on his friend's behalf. They felt

Cullen should step up, & help Rose.  
A MUST READ FOR EVERYONE!!!

**Wonderful Book**

What a great mail order bride story. The one the writer wrote for someone else. Couldn't put this one down just like every book in this series.

**Encouraging**

I love her characters, they are so "real"! I must admit I struggled a bit with Cullen's need to go so slow in taking up his options. However, I enjoyed how Rose took things on board and found constructive ways to "go ahead" with her life in the community she has chosen for her future. Love the warmth and "belonging" in each of these books. Leaves you feeling good. Would recommend them to anyone looking for some comfort and warmth.
