**To short not enough details**

Its a okay book but it doesn't describe enough of the back story. If you want a book about \*\*\* then you got it but I like there to be more of a story line. I was not connected to the characters enough to really like it.

**Laurycardona says**

Not what I was expecting... I mean, the sex was good but that was all. Why is it even called "curvy girls"? They are not curvy at all, at least that's not how the author describes them.

---

**Jennifer says**

A good read if you're looking for a little lust between books or just need a little pick me up during lunch or before bed. If you're looking for more, keep looking this isn't the one.

---

**Kathryn Parry says**

The sex part was great but the story lacked passion. Again rubbish cover on amazon it this was not free I would not even think of picking this story up.

---

**Dawn says**

This short story was horrible. Do not waste your time.

---

**Raine says**

Short, but an ok read.

---

**Latoya Witherspoon says**

**I really enjoyed it, but it's too short**

I actually liked how the story was developed a swish the author took you more into the story, giving you the after effects of both Beth and Georgia's events of the evening.

18+ only!!!

This was a short erotic tale of a couple who had a stale sex life. Georgia's best friend Beth had an idea that would spice up their relationship. This has a definite story line with wife/girlfriend swap situation, if that's not something that interests you then don't read it. The sex scene is short but good if you like these stories.

Would I read another book by Ulriche Kacey Padraige? Yes I would the story was well written for the genre it is.

### **Melissa Smith Doughty says**

#### **Good**

Loved the short stories. I do like little stories that get you hot and happy. I will read more of this !!!

---

### **Ray says**

I thought this was very well written. It held me with the development of the story and the characters. It wasn't just a quick porn read. It was believable and satisfying. It wasn't overly written. The details and the descriptions were perfect. I think it was a great read.

### **Ketra Howard says**

#### **Intense and just the right amount of pages**

Good short story. I don't believe I could ever do that with my husband. I am too insecure and jealous to ever consider doing that.

---

**William lebert says**

BELEIVE ME I KNOW CURVY WOMEN DO EVERYTHING BETTER IM ADDICTED

---

**vennetta speaks says**

**Not very good**

it leaves a lot to be desired the sex could of been hotter was not impressed would not buy thanks

---

**Betty says**

This is a fun read about friends who have drifted apart. When they get back together the 'one that has it all' confesses to a bit of a marital problem. Her friend offers to set up a fun/erotic party that is sure to get her marriage back on track. The story is short but a lot of fun and very erotic.
