**Jake** Hilary Storm , Jacob Wilson

WARNING- This book contains graphic scenes in sexual nature and language. Not intended for anyone under the age of 18... or those easily offended.

Jake Wilson is a very successful tattoo artist in California. He lives his life on the go and there's not a shortage of women at his disposal at any point in time. His life is perfect for a man who has no desire to commit and the stories he could tell you would either terrify you or have you intrigued and hoping to become his next treat. What happens when he meets the first female to challenge him?

Addi Woods is a very successful club owner who has just recently relocated. Her partnership with Jax Wilson brings her face to face with Jax's twin brother Jake. His sexy charm won't work on her because she sees right through his intentions. What happens when Jake is determined to break through her sophisticated demeanor and show her his true personality? Will she fall for his wild existence or will she be the one to leave him always wanting more?

## **From Reader Review Jake for online ebook**

### **Lu Bielefeld \*read.laugh.love\* says**

I loved the book cover, but the story is empty. The hero just fucks everything that moves and nothing more.

---

### **Shannon says**

Oh, how I really wanted to like this but it just didn't do it for me. I knew it wasn't going to be some great piece of literature, but I thought it would at least be enjoyable and I don't really think it was...and I feel really bad saying that. I adore Jacob Wilson, he seems like such a doll in real life, but I think he needs to stick to his day job.

I'm not really sure where this serial is going...there didn't seem to be much of a plot to this first installment, except a lot of sex, and not very hot sex at that. We're left with a cliffhanger, but I honestly don't feel invested enough in the series that I'm contemplating not even bothering with the rest...I'll just have to see when it comes out.

I'll just say enter at your own risk.

---

### **Hot Reading Mom says**

This is a serial; so we really don't get any resolution to a story. As the story I'm not sure where we are going. Jake is a total manwhore. This seems to be an endless description of his sexual escapades with various women. I really didn't like this guy although he was honest with all of women what he was about. Then he meets Addi, who appears to be a mystery woman so we don't really know about her other than she is disgusted with his behavior. Don't know if I would wait for the next one since it was supposed to be issued in March. So I'm glad I got this one on KU.

---

### **Deana says**

OMG OMG If I could give this book a kazillion stars for hawt scenes I would "Jake" is a hawt read I loved it Hilary and Jake Wilson knew what they were doing when they wrote this book! I loved it!!! I want all my friends to go and get this book and read it... NOW!

---

### **Jodie Squelch says**

This is first installment in a serial and by the end I was left needing book two like yesterday.....

This is a short, seriously hot, pantie wetting story ..... It will leave you in need of a cold shower haha ....

But I devoured this book within an hour ..... Jake is a hot, badass tattoo'd man whore who everyone wants.....

This little book shouldn't be missed and I seriously can't wait for the story to be continued on ....

---

### **Book Snob Sue says**

Ok, so no, just no. Thought this book was about Jake & "Addi".....clearly I was very, very wrong. It was actually about Jake & every single girl he came in contact with and slept with all of them. First by this author, but sadly it will be the last. This just made me feel yucky...and I needed a shower. If a book is not about an actual couple...that may be a great thing to disclose in the description.....just sayin....did not finish, got about 60% in and realized it wasn't getting any better. In the description it says "what happens when he meets the first girl to challenge him?".....oh, pick me I'll tell you....he still screws everyone else. This sucks too because I have other books by this author & now I'm not going to read them:(.

---

### **Kimberlie says**

Super short story that just suddenly stops. No way I'd pay for this story in pieces. The whole thing sounds like a guy talking shit with his buddies... unbelievable, egotistical braggart. No respect for women, or Bitches as he calls them. He is a God in his world. Nothing redeeming about him so far, except his succesful business, unless you want to worship at his... feet. As a woman with no problem reading erotica, this was a major miss. Might appeal to college boys, but MY bad boys have got Jake's bod and none of the asshole attitude.

---

### **Breanna Eichhorn says**

This book is amazing, I loved how well this book was written. I also loved that the characters were very well developed. I couldn't put this book down. I can't wait for the second book. I highly recommend this book to anyone and everyone.

---

### **Sue says**

Yowsers!! Lord that made me feel all kinds of tingly hot (hides face in shame)...and what an exciting thrill ride that was to experience.

Jake is a sexy as sin tattoo artist who gets way more than he can handle from eager clients to pretty much any women he comes in contact with. Add to this fact that he has a twin brother who has just opened up a successful nightclub (where scantily clad women abound) with hot business partner Addi, and you have one delicious recipe for a big mess of trouble.

This first segment introduces us to all the "players" in this series so far, and from the short taste I got it promises to be a whole lot of sexy erotic fun. A super collaborative effort by Hilary Storm and Jacob Wilson. Bring out the swing set...and I don't mean the kind your kids play with in the backyard =)

\*\*\*\* 4 \*\*\*\* "playing with fire and ink" stars

## **Anjie Kendall says**

This book was getting a lot of press on my FB newsfeed, so I thought I'd give it a shot. Especially since I could get it through Kindle Unlimited. Well, I thought it was terrible. As other reviewers have pointed out numerous times, lots of sex. Not that I'm apposed to sex in books at all, but if it adds to the story. This seemed to be some sex scenes with other scenes thrown in. I was hoping for some sort of direction, but I just didn't see it in this installment at all. In fact, I was left wondering if women really do act like this in real life.

## **Raj says**

DNF @ 37%

I love the cover. it's hot.

So... I've picked up like 5 novels and dropped 3 of them and this is one of the three.

I don't know if I'm gonna give this another try. It seems like I'm not in the mood for not so exciting novels that's why I've been dropping books non stop.

It started with a sex scene, with two girls. I wasn't expecting another sex scene, with a customer. I skipped even before that scene, those that I didn't find that interesting. But after the second S Scene, I started to skip paragraphs. Then the third F scene happened at the club... meh...

One sex scene with a stranger or a fuck buddy or a one night stand or whatever is okay, but three? in a span of a few minutes or a few pages??? Ef no!

---

## **Phyl says**

You can tell this was written by a man but unfortunately it's probably to be read by men, like playboy. I expected lots of sex no issues there, guy a manwhore no issue there but a girl wanting to thank him for the tatt he gave her by giving him a BJ.

'I didn't know how else to thank you', how about paying him in cash hunny. I found that a little insulting. I didn't see the female perspective in this story at all and it was co-written by a woman, I would love to know what her contribution was because I didn't see it at all. Sorry but this is truly an awful story

---

## **Eye Candy Bookstore says**

Wow, I have loved everything that Hilary has written and this was no exception. Hilary and Jacob have done a freaking awesome job writing this book.

Jake was hot, sexy, and dirty, I mean, what's not to love. I loved the fun loving, carefree attitude he had with women and life. His honesty was funny, and seeing the way he left women in his wake was epic. The sex

was steamy as shit, raw and gritty.

The other thing I loved was how Jake was loyal and loved his twin brother Jax and his tattoo shop and the staff, which he is damn proud. His work and family mean a lot to him.

Looking forward to the next installment.

Epic job Hil and Jacob. <3

5 Stars

### **Drue DePompei-Hoffman says**

This was a quick enjoyable read. We get introduced to Jake and Addi. Jake is quite the manwhore, a very typical magnet to ho's. And then he meets Addi, his brother's business partner. She's gorgeous, smart and wants not much to do with Jake, she's not falling to her knee's or fawning over him.

As I said this was a quick read, and in my opinion should be seen as an introduction to the world according to Jake Wilson, it shows us the type of life he leads, and its just a beginning, its not the whole picture. We will have to move on to subsequent installments to get the whole picture.

As soon as Jake & Addi met I was hooked, I must find out if Addi is the one woman who can make Jake want to change.

---

### **R says**

Ya got to love it for what it is. I'm actually wanting his brothers story.
