## **Dolly says**

This is a sweet story about a curious little puppy who discovers the joys of swimming in a pond. The narrative is simple for beginning readers, but long enough to challenge reading stamina. The illustrations are adorable and colorful, too. We enjoyed reading this story together.

Lucy is much like any young puppy. She likes to run, bark, howl and spend time playing with her owner-Bobby. One day, Bobby and his family decide to take a family trip to place Lucy has never to before-the lake. However, Lucy is not a fan of the lake at first. But after getting off her lease and getting lost in the woods, Lucy becomes more at ease with her surroundings.

When she finds her way back to owner, Lucy is ready to face the lake. Great read for first graders.
