Ranma ½, Vol. 20 (Ranma ½ Rumiko Takahashi

When Genma took baby Ranma away from his mother, he made her a solemn promise - he would see to it that the boy would grow up manly, or he would see them both dead by ritual seppuku! Well, Nodoka "Missus" Saotome has finally shown up at the Tendo Dojo doorstep, and she can't wait to catch a glimpse of her dearly beloveds. But will the sight of her "son" in girls' clothes and her "husband" as a panda possess Nodoka to perform the seppuku on them herself...?

Un gran capítulo y muy emotivo, lástima que esta primera vez que Ranma se encuentra con su madre aún no puede decirle aún la verdad, este capítulo siempre me sacaba una que otra lágrima en el anime. Por otra parte el capítulo de la maldición de la joya invertida hace que mi querido Ranma, momentáneamente me caiga un poquito mal, pero bueno, eso fue solo por el golpe que sufrió su ego xD

Every now and again I've got to re-read Ranma 1/2. Rumiko Takahashi is a great story teller. This is one of the funniest manga I have ever read.

scarlettraces says

rather too much shampoo/mousse/cologne offset by lots of panda (his signs get me every time) and happosai. i admit to being amused by the ghostly panties.

I like reading the old version...reminds me of when I was younger and that was all there was. the books are bigger so bigger pictures, slightly different translation and flopped artwork...and of course, I love Ranma 1/2!

The zaniness continues with Akane finishing up a cheerleading battle. Then Ranma hides from his mother who has found. Then there is more silliness with Shampoo and Mousse. Finally, we get another visit from

Happosa who is busy stealing underwear again.

Silliness, to almost a juvenile point. No one is reading this series at this point for the character developments.

Sarah Crawford says

Part 1: Love Always Wins: Ranma manages to see that Kuno gets defeated, but not before everyone has heard him say how he loves Akane (even though he didn't know it was Akane at the time).

Part 2; Ranma Meets His Mother!?: It's the memorial day of Akane's mother and the family is at the gravesite. Ranma wonders about his own mother. The Tendos have gotten a note that says Nodoka is coming to visit, and Genma wants to escape. Nodoka shows up, but Genma makes sure Ranma is Ranma-chan and he's a panda before she does.

Part 3: A Man's Vow: The backstory of Genma's taking Ranma, and the agreement to commit suicide if Ranma is not the best man among men is brought out.

Part 4: Risky Reunion: It is obvious that Nodoka is a little on the crazy side, but Ranma would still like to be able to acknowledge his own mother.

Part 5: Even If It's Just a Glance: Akane arranges for Ranma to meet his mother, but Genma blocks Ranma and kidnaps Nodoka.

Part 6: Mother and Son...Together!?: Ranma rescues his mother but she thinks it was Ranko that rescued her when she wakes up.

Part 7: Sudden Hate!?: Cologne is cleaning some of her jewelry and lets Shampoo take her pick. When Ranma meets Shampoo she hates him.

Part 8: Say You Love Me!?: Ranma tries to find out what has caused Shampoo's change in attitude.

Part 9: Love's Counterstrike: Ranma is trying to get Shampoo to say that she loves him. Mousse tells Akane about the jewel, but Cologne stops them from telling Ranma.

Part 10: Who Loves Who?: Akane stops Ranma just in time by saying she loves him, then Shampoo says see loves him, then Akane gets mad and knocks Ranma skyward.

Part 11: The Phantom Lingerie: Happosai has been stealing underwear again, but each day it turns into paper. He'll die if someone doesn't steal the panties of the former headmistress of a girls' school. Either Ranma or Happosai has to be the thief.

They say you shouldn't judge a book by it's cover. But I did - And I was right ;) This series is amazing! You get genderbender, fantasy, action, romance and slapstick-humor along with intense serious moments, what

more can you want?

Awwww, Ranma's mother is so cute!!! Oh boy... I was laughing quite a bit through that storyline. Genma as a panda makes me die!! So hysterically, but I felt really sad for Ranma's mother too :-(She just wanted to see her boy!!

The storyline with Shampoo was really cute too! Though, I love any reason for Shampoo and Cologne to be around!! But, of course, Akane has to ruin everything for me!! GRRRRRR!!

The very last storyline... kind of ridiculous. I could have done without it.

I absolutely loved the Part 10 cover image!! So cute and that outfit on Shampoo was smashing!
