I gave this book as a gift to my grandson for Halloween! It is an adorable book, not too scary but holds their attention!! Lots of colorful, bright colors! I loved it & so did he! Beautiful job with the storyline & the art work!

We won a copy in a Goodreads giveaway. My toddler was excited when he recognized Fig on the cover. He had me read it immediately. He was engaged the entire time, certain the noises were from a "monster!"

He thoroughly enjoyed it. "Tumble Leaf" is one of his favorite shows, behind "Caillou" and "Thomas the Tank Engine."
