AMERICA'S TOP TEEN DETECTIVES TEAM UP TO ROCK A WORLD-CLASS CRIMINAL

NANCY DREW flies to Paris to help rock idol Johnny Crockett. His World Hungar Rock Tour is being attacked by a rash of vicious pranks that threaten to shut down the charity event. As soon as Nancy arrives she finds that the problem may be more than a simple case of dirty tricks. The tour's financial records have been stolen—and the handsome rock star could be facing a career-ending scandal.

Meanwhile...

FRANK AND JOE HARDY are in Paris for a conference on art thefts. After bumping into Nancy at the airport, the brother detectives run into a bundle of heavy trouble. They spot their old nemesis Fiona Fox and realize that the City of Light is about to be hit by a one-girl crime wave. And to make things worse, Joe seems dazzled by the lovely cat burglar...

### **Jess says**

Too much mystery. And I don't like when Nancy and Frank fight.

---

### **Marts (Thinker) says**

Nancy Drew and Hardy Boys mystery

---

### **Enik? says**

I really enjoyed this book. :o) I found it to be well written, with a plot that is just complicated enough to keep me guessing. I liked having a lot of different suspects and I must admit I am not a good detective because I never would have guessed who the Conductor really was. Lots of surprises in this book, right to the end, which conveniently leaves the door wide open for future cases for both Nancy Drew and especially the Hardy boys.

I guess the only thing I have to complain about is the romance. I wasn't at all bothered by the fact that Joe seemed to have a thing for Fiona, but Nancy's reactions to Johnny were a bit annoying. I suppose that comes with the territory when one is reading young adult novels out of nostalgia - I might be a bit of a groupie in my own right, but I've outgrown the teeny aspect of these books!

---

### **Grace says**

Intriguing. I loved the travel aspect

---

### **Luisa Knight says**

Cleanliness: There is probably more romance in this than parents realize. Message me to request this be bumped to the top of the list so you can clean up your child's copy!

\*\*Like my reviews? I also have hundreds of detailed reports that I offer too. These reports give a complete break-down of everything in the book, so you'll know just how clean it is or isn't. I also have Clean Guides (downloadable PDFs) which enable you to clean up your book before reading it! Visit my website: The Book Radar.

Very surprising

---

## **Jennifer says**

2.5 stars

---

## **John Yelverton says**

It was a real treat to see Nancy Drew and the Hardy Boys team-up in this mystery story. The mystery is decent, but the nostalgia is epic. Fans of the two series will enjoy it.

Title: The Paris Connection

Author: Carolyn Keene,

Series: Nancy Drew & Hardy Boys: Super Mystery, #6

Format: mass market paperback

Length: 219 pages

Rating: 3 stars

Synopsis: Nancy and Bess are in Paris posing as publicists with Johnny Crockett's World Hunger Rock Tour. But before long, they run into the Hardys and discover that their separate cases are connected!

Favourite character: Frank and Joe

Least favourite character: N/A

Mini-review: This was a pretty good crossover, but not enough NancyxFrank in my opinion. I wish Frank had referenced Callie at the very least, but no such luck. The mystery was good, slightly solvable but good. One minor character I feel like it's slightly based on David Suchet's version of Poirot, but it was kind of fun. It was great to have a recurring character in Alan Wales (from Nancy Drew Files books 1 (Secrets Can Kill) and 2 (Deadly Intent)).

Fan-cast:

Nancy Drew - Katherine McNamara

Frank Hardy - Richard Harmon

Joe Hardy - Dylan Playfair

Bess Marvin - Abigail Breslin

Fiona Fox - Ellie Bamber

Dr. Fox - Martin Shaw

Ned Nickerson - Ansel Elgort

Alan Wales - Austin Butler

Johnny Crockett - Riker Lynch  
Jules - Pierre Boulanger  
Kevin Fuller - Tom Hiddleston  
Roger Hart - James Maslow  
Ruby Bloom - Taylor Swift  
Brent Travis - Martin Freeman  
Commissaire François Guillaume - David Suchet ;)
