He's b-a-a-ack! Despite their best efforts, Carter and Sadie Kane can't seem to keep Apophis, the chaos snake, down. Now Apophis is threatening to plunge the world into eternal darkness, and the Kanes are faced with the impossible task of having to destroy him once and for all. Unfortunately, the magicians of the House of Life are on the brink of civil war, the gods are divided, and the young initiates of Brooklyn House stand almost alone against the forces of chaos. The Kanes' only hope is an ancient spell that might turn the serpent's own shadow into a weapon, but the magic has been lost for a millennia. To find the answer they need, the Kanes must rely on the murderous ghost of a powerful magician who might be able to lead them to the serpent's shadow . . . or might lead them to their deaths in the depths of the underworld.

Nothing less than the mortal world is at stake when the Kane family fulfills its destiny in this thrilling conclusion to the Kane Chronicles.

This non-stop thrill ride is adapted and brought to life by Orpheus Collar, who previously adapted and illustrated the rest of the Kane Chronicles series: *Red Pyramid, The Graphic Novel*; and *Throne of Fire, The Graphic Novel*.

3.5 stars

Really well adapted from the book. It was very action pack and interesting. The portrayal of the story plot were okay. I'm so glad in a way I got to finish this series. The Egyptian mythology is very on point. Rick Riordan is the king in adapting mythology to the understanding of children. I enjoyed the final battle and the happy ending. Overall, a good read and would definitely recommend reading the novels.

I recommend these book for when you want to reread the series but you don't have time. I really like this book.

Yes, it's pretty predictable, yes, it's fairly short, and yes, the graphic's aren't breathtaking, but this story is fun. It has all kinds of interesting ideas, characters, and relationships. I'd say if you're a fan of Rick Riordan or this series, you should pick it up. But if you're going to read this instead of the novel, I'd rethink your decision.

Stephanie Tournas says

For the legions of Rick Riordan fans, here is the last installment of The Kane Chronicles, in graphic novel form. The myriad characters, bad guys and good guys, and the non-stop action, are actually made a bit easier to follow in this adaptation. Apophis, the snake of Chaos, is thrillingly dastardly, and it takes all of the magical skills of Carter and Sadie and their initiates to fight back. Lots of deep reds and blues keep the mood scary in this thriller featuring kids of many skin colors united to fight the ancient Egyptian forces of the underworld. I like that the humor is still present despite the overarching evil.

This a nice wrap up to this trilogy! I loved the ending of this and sad to say goodbye to another series!(:

Just as good as the rest!

I don't want to repeat myself but: This is too good!!! <3

I have loved this third one since I first read it but I can't name the best out of three. One thing I was very very upset about when I read the book was the Walt/Anubis merge. I was honestly yelling like: come on! But now, well it wasn't as annoying as I remembered. I couldn't be happier about the end.

One more thing: Walnubis xD

I couldn't stop laughing!!

This was the best one of the series by far! It kicked off quickly and just kept going! Awesome illustrations and it was just perfect! I kind of want more! I will have to start the Magnus Chase or Trials of Apollo books soon ?

It was awwweeesooomeeee!

Jeff says

Loved the chapter books, so obviously, I had to get this one ;)

A great story, but the graphics need work.....

And god, the words are way too tiny to be able to read!!!

Plz, let's publish one with bigger letters :D

I loved this graphic novel. The story was in pieces and they all came together in a fun way. The battle at the end was exciting and believable. Believable for a story about kids who control magic and host Egyptian gods in their bodies. The magic followed files and they were able to solve the problem with their wits as well. The Kane's are impressive characters. I'm sad their story was only three, but it might be better than dragging out and not having the story be as good.

I love these kids . . . I was laughing hysterically by page four (Khufu!). Spectacular artwork from Orpheus Collar, as expected, and I am just stunned by how gorgeous Sadie, Zia, Bast, Anubis (damn, boy), and Isis -

well, everyone - is. Absolutely gorgeous. I love this series just as much as the PJO titles (disagree if you must) and seeing it as a graphic novel so brilliantly crafted is an absolute joy. Appearances by my favorite crocs, Philip and Sobek, didn't hurt.

Z tohto dielu som si pamätala asi najmenej.

Svet ohrozuje Apop a Carter a Sadie sú (o?ividne) jediní, kto ho dokáže zastavi?. Od Thovta sa dozvedia, že Apopa porazia tak, ak chytia jeho tie? a ten zni?ia. Miesto umiestnenia tie?a napísal Thovt do svojej knihy, ktorú šmajzol istý Setne aka Chuamweset, takže sa s ním musia dohodnú? (ale ako to že Thovt nevie, ?o si zapísal do knihy? HMMM???. Setne je ale malý hajzel (pamätám si, že ke? som toto ?ítaла prvýkrát vedela som presne, kto Setne bol a bola som na seba hrdá (lebo som pred tým ?ítała nejakú egyptskú knihu, v ktorej bol), ale teraz nemám najmenšiu šajnu). Popritom ale nájdu aj tie? Besa, aby jeho zas oživili.

Napätie a nebezpe?ie sa dá prakticky krája? z každej jednej strany a každého jedného obrázku. Okrem hlavnej zápletky (zabi Apopa, zachrániš svet), sa nám rozvíjajú naše zamilované páriky. Carter a Zia sa kone?ne pobozkajú a ja opäťovne necítim medzi nimi nijakú chémiu.

Sadie sa kone?ne dozvie, že Anup vhupol do Walta a tak mu dovolil ži?, ?o považujem za lacný spôsob vyriešenia jej problému: Anup alebo Walt? Boh alebo ?lovek? (správna odpove? je Anup).

Znova ale musím vyzdvihnu? grafickú stránku, ktorá je prenádherná (vyzdvihujem najmä môj najob?úbenejší panel všetkých ?ias, ke? si Carter predstavuje, ako Anup vo svojej šakalej forme olizuje Sadie, Carter sa smeje a Sadie má nadvihnuté obo?ie, paráda).

Parádne zakon?enie trilógie, aj ke? možno trošku zrýchlené, ale možno to robilo to grafické spracovanie.

A great conclusion to a very good series.

Clare Haenni says

Gorgeous Illustrations and of course an amazing story written by none other than the fabulous Uncle Rick himself. Would highly recommend.

Good adaptation of the novel by Rick Riordan, but there are some disjointed parts so it really helps if you've read the novel first.

interesting quotes:

"Cows with freaking laser beams? Completely unfair!" (p. 76 - unpaged)

"Untie me and I'll show you. You won't regret it." (p. 102- unpaged)

"First tip on fighting a giant Chaos serpent: don't. Even with a squadron of gods and magicians at your back, it's not a battle you're likely to win." (p. 139)
