My daughter is reading level 1 and 2 books entirely on her own, so I read aloud chapter books with her. We started this Magic Puppy series last month, and she \*loves\* it. Cute story line but simple plot that my 5 year old can follow.

This book sure makes me want to have a little puppy of my own - a little golden retriever like Storm! I've always wanted my own pet, just like Lily. Anyone who likes dogs and ponies would love this book.
