The Bad Boys & Billionaires Anthology is brought to you by four bestselling authors who love their bad boys! Each story will sizzle up your reading device, because these stories are for readers 18 and older!

Tangled Beauty by K.L. Middleton

Sinclair Jeffries thought she knew what she was getting into when her zany, gay friend, Jesse Eddington, talked her into portraying his girlfriend during his parent's anniversary party on Huntington Beach. That is, until she met Reed, Jesse's sexy as hell older brother, and ends up getting much more than what she'd bargained for.

Reed Eddington assumed his future was settled until he met Sinclair, his brother's so-called "girlfriend", but the raw, sexual tension between them is hard to ignore. As he watches their ruse from the sidelines, he finds himself wanting to uncover more than just their amusing little facade.

Hunter by C.J. Pinard

Recent college graduate and rich bad boy Hunter Jenkins has defied his parents yet again by not only getting his degree in Criminal Justice, but seeking out a job in law enforcement. But when he meets beautiful Reece Morgan at his family's elaborate yearly summer kickoff party, he begins to wonder if his priorities should change.

Reece Morgan came from nothing and has nothing. When she meets Hunter Jenkins, she thinks he's nothing but a spoiled jerk who doesn't know what real struggle is. Unfortunately for her, he's also extremely charming, and doesn't think she'll be able to resist those charms for very long. When Reece finds herself in danger, will Hunter be her ultimate protector?

The Billionaire's Fake Girlfriend by Sierra Rose

Rebecca is an aspiring actress. While at a fancy cocktail party, the socialites begin to pick on her. And that's when she claims she's dating the billionaire host of the party. When he goes along with it, Rebecca is in shock. And when this billionaire offers her a proposition she can't say no to, she dives straight in.

Boss by Lexy Timms

Jamie Connors has given up on finding a man. Despite being smart, pretty, and just slightly overweight, she's a magnet for the kind of guys that don't stay around.

Her sister's wedding is at the foreground of the family's attention. Jamie would be fine with it if her sister wasn't pressuring her to lose weight so she'll fit in the maid of honor dress, her mother would get off her case, and her ex-boyfriend wasn't about to become her brother-in-law.

Determined to step out on her own, she accepts a PA position from billionaire Alex Reid. The job includes an apartment on his property and gets her out of living in her parents' basement. Jamie has to balance her life and somehow figure out how to manage her billionaire boss, without falling in love with him.

This anthology is for reader 18 and older and some stories continue on in separate books.

5 Stars

I enjoyed all the stories in this collection. Each were well written and enjoyed the strong women in the stories. The one I enjoyed the most is the one by Lexi Timms... Alex is so hot that I'd love for him to be my boss

Elaine Wilson says

Fantastic intro to new authors

I loved these first instalments, that allowed me an insight into new authors and revisit old favourites.

Tangled Beauty - K.L. Middleton

This will have you rooting for the hairdresser, the lover and the gay brother. She's a hairdresser who attends a family function with her gay friend, so that he doesn't have to 'come out' to his parents.

Enter the very straight and very hot brother. He's panty wetting gorgeous, but someone else has their sights set on Sinclair Jefferies and his intentions are not at all honourable.

I liked it, so I bought the series.

Hunter - C.J. Picard

Hunter Jenkins is a college grad, rich kid.

Reece Morgan is struggling to put herself through nursing school.

He's looking to work for the police department, so when Reece is in danger, Hunter goes all out to protect her.

I bought this series.

The Billionaire's Fake Girlfriend - Sierra Rose

Rebecca is an aspiring actress who attends a party to promote the agency she's working for. A snarky bitch starts picking on her, so she says the party host is her boyfriend. And that's where all the fun begins.

I actually have this series of books and I liked them that much, I've read them twice now.

Boss - Lexy Timms

Jamie Connors is belittled and ridiculed by her sister, Christine, on an almost daily basis. Christine is getting married to Stephen, Jamie's ex boyfriend, who left her because she was getting a little 'thick round the middle'

Alex Reid is looking for a PA, so Stephen puts Jamie's name forward.

Now read on, as Jaimie battles with her family's ability to just be mean and her growing attraction to Alex Reid.

I also have part of this series, Managing The Bosses. 1-3. And I've read it twice. I just love the dynamic between the characters.
