Buffalo wings of steel!

Just how stupid is Stupid Chicken? Bernie Bridges thinks the superfowl cartoon character is a dumb cluck! And the same goes for his chirpy sidekick, Little Cluck-Cluck.

But why not make a buck from a cluck? Bernie tries to sell Stupid Chicken T-shirts to his pals.

One problem--half the school hates Stupid Chicken. Their hero is Drastic Duck, the Caped Quacker.

Now Bernie finds himself caught in the middle of the battle between the Clucks and the Quacks!

Would have preferred the ending had Bernie been expelled, but that's just me.

### **Brett says**

Kind of an abrupt series ending.

I had nothing else to read so I read this. It was in Mrs.idens library so I read it. I didn't really like it. It just wasn't my genre.

Similar to the previous entry, "Dumb Clucks" doesn't feel like the typical Rotten School book; though this is a good thing as the series is starting to feel a bit cliched. Here, Mr. Stine pokes fun at how children can be get wrapped up in a new cartoon series quickly. Actually, the Rotten School kids get addicted to two different cartoon characters throughout the book. Overall, while Rotten School: Dumb Clucks isn't the best in the series, it's still a decent way to end the series.
