# From Reader Review God Still Don't Like Ugly for online ebook

## Dorel says

When I received this book for my 2016 birthday I was interested in reading this book from the title. This is the 2nd book I by Mary Monroe. This book's story line was really good. Some parts of this story broke my heart. I really liked how this story showed Annette's strength. I was very happy Annette. I was very happy Pee Wee. My heart broke & I was happy for Muh Dear. My heart broke for Rhoda. I love the titles of GOD DON'T LIKE UGLY & GOD STILL DON'T LIKE UGLY.

---

## Gale says

Rhoda and Annette are still up to their bad life and shenanigans. Rhoda is a bad influence on Annette who is trying to get her life together. Annette want to leave the life she is living and can think of only one way to do it (for now). This book was also good but I got tired of the road the author chose to go down which doesn't mean it was bad, it just wasn't for me.

---

## Alissa says

I really enjoyed the first book, God Don't Like Ugly. After I finished it, I needed more and purchased God Still Don't Like Ugly. I was disappointed with the second book. About 50% of it is a recap of the first one.

---

## Tamiya says

So far this book is about how this woman don't like her wieght and she excerics sometimes but, it don't work and she been haveing that same wieght since she was little. and she know this lady and she died because of her wieght and she was trying to loss it but, when she did the push ups she had died. i really like this book.

## Brit Bennett says

Ratchet as hell!

---

## J says

(FROM JACKET)Growing up, Annette Goode thought all men were as low-down as the father who deserted her and her mother for another woman. And she saw little to prove otherwise. There was Mr. Boatwright, the boarder who abused her for years-until her best friend Rhoda murdered him. And what about the men she slept with to earn the money she needed to run away from her life? None of them was exactly the picture of

chivalry. But now, after decades of soul searching-and mountains of heartache-Annette has reunited with the father she never really knew. She's severed all ties with the dangerously unstable Rhoda. And finally her real life has started to take shape. Or so she thinks...

Things start to fall apart at-of all places-Annette's own pre-wedding celebration, where a guest reveals that the beautiful bride-to-be once turned tricks for a living. When her fiance pulls a disappearing act, Annette reunites with Pee Wee Davis-the man who has been her on-again, off-again sweetheart since childhood. It's not a great life, but it's a pretty good one.

Yet for years, Annette has been holding the secret of her ex-friend Rhoda's murderous past deep in her heart. She knows it's a burden that will torment her until she can put the past to rest. So when Rhoda suddenly walks back into her life, Annette must decide what she should believe-and what she can forgive-as she tries to salvage the one relationship that she just can't seem to let go...

### **Lauren Hidden says**

This book takes over a few years after *God Don't Like Ugly* leaves off. Annette, off on her own, tries to carve out a life for herself and wrestle the demons from her past. Returning to her hometown, she rekindles past relationships, begins a relationship with her dad who abandoned her long ago, and she and her mom learn that he wasn't entirely a bad guy. This novel, much like the first one, deals with heavy issues—childhood abuse, parental abandonment, prostitution, obesity, etc., but it also is one of those novels that makes you think. Rarely are people or events entirely good or bad, and maybe we should be less closed-minded and more quick to forgive. Though this book did rehash some of the events from the first one, it also gave nice closure to the story. Like most sequels, I didn't like it quite as well as the first one, but it was still a very good book. Read *God Don't Like Ugly* first, and then this one.

### **Laurie says**

I loved this book! I listened to it while driving last weekend and it was a blast! While the subject matter was "heart-wrenching" and something you'd pray would never happen to anyone you knew, the way it was delivered was amazing. I enjoyed the characters and how they interacted with each other. I loved the honesty with which they spoke with each other AND I loved the ending. I wish I would have read the first book before I started this one as it would have developed the main character more. However it was a great story and I thoroughly enjoyed it!!!

---

### **Carrie says**

I really enjoyed *God Still Don't Like Ugly*. Everytime I put it down, I couldn't wait to get back to it! I just love Annette Goode. In a lot of ways, she kinda reminds me of myself. She seems like someone I could be really good friends with. This book has really good drama in it!

---

### **Lynecia says**

I read The first book, "God Don't Like Ugly" a few years back and was thrilled when I got the chance to read the sequel. Monroe recaps everything from the first book so those who aren't familiar with the prequel can enjoy it.

In the 2nd part of Annette's journey we meet her estranged father and new half-siblings. We also experience her up-and-down love life, with her childhood friend Pee Wee, and her fiance Jerome Cunningham. Annette still battles her skeletons of low self-esteem, and the ghosts from her past: her childhood abuser Mr. Boatwright, her days as a prostitute and her murderous friend Rhoda.

Monroe writes in her usual engaging, HUMOROUS tone, that will have you bustin' a gut and crying all at once. For those of us who are fans of the first book will enjoy watching Annette grow, face her demons, and come into her own, as well as.... Well read the book!

---

### **Kiwi says**

I really liked this book. I read this book way before I read the first one. The author did a really good job on filling the reader in on what happened in the first book so that wasn't really a problem. I read this book in between reading other books so I probably read this book more times than I can count. It's that good!

---

### **Rebecca B Garrett says**

?MARY MONROE?

---

### **Lulu says**

I was kinda disappointed with this one. I felt like the majority of this book was a rehash from the first story and it didn't really pick up until the last 25%. I'm gonna continue making my way through the series. :)

---

### **Oh Breen says**

This was the 2nd part to God dont like ugly, it was also good but not as great as the 1st one.

Wow! so here I am 11 years later, reading this book again. I am kind of excited to see if my review changes.

---

### **Monique says**

Okay so finished part two of Mary Monroe's books even though part one didnt grab me and believe me I

didn't want to but am actually not too mad I did..In this one she tries to move forward, let go of old demons and the past and move on with love, respect and honesty but things keep tripping her up..add in a abducted, raped and murdered five year old, a ruined engagement, a pregnancy, an unlikely wedding and lots of retelling of the original story..reading part one is not a prerequisite to this one as they rehash the whole book throughout the story. Okay so this one was admittedly better than the first book but not a favorite, recommended to those who like reading human soap operas and unbelievable funny situations.
