Horace Mann Family Reading Challenge says

Maggie is a dog. Max is a cat. I.M.

Alexandra Lindner says

Loved it!!

Jodi says

Cute chapter book for young readers who love animals. This is another book in The Puppy Place series by Ellen Miles. I believe it is the third or fourth one we have read by this author and I have another one on order for my daughter's Easter basket.

Emily (6 years old): The funniest part was when Maggie got her head stuck in the railing. People should read this book because it is funny. Mr. Baker finally adopted and I felt good because they got a home.

Marlee says

This is a sweet book. The animals are cute and friendly. My children especially enjoyed the parts where it said what the dog and cat were saying. They found these very funny, and it had them both giggling uncontrollably. The book is simple and predictable, but an enjoyable read for young children.

Julz says

I can't wait to read this book!!

Victoria says

Can't separate Maggie the dog & Max the kitten....

Kaylin says

i love puppy place books!!!!

Marie says

I liked the story but it was a little hard to read, it didn't flow.

Xander Kennedy says

What can I say? It's another one of the cutesy little books that the kids seem to enjoy so I'll keep reading them aloud!

Megan says

Read aloud to Daisy. She likes the puppy place series but I think they are fluff. She should be reading them to herself.

Gideon says

this. is. one. out. of. two. puppy. place. books. that. have. two. foster. animals.
this. is. the. only. one. with. a. kitten.

Maggie says

I love the dog's name. Why is it though that everyone names their dogs Maggie? These are meant for younger kids, like 1st or 2nd graders. I like in the books how Ellen Miles writes what the dogs are thinking, not just what the people do and think. It makes me wonder what every dog in the world is thinking right now.

Garrett Lammey says

i am reading them

Melissa Namba says

I'm going to be mean and give it one star because I feel like the kids were particularly pushy and manipulative in this book. I don't like the solution being forced on Mr. Baker. Also, although I have seen successful shop cats, you can't really lock a dog up unattended without proper facilities and even then, it just feels cruel. So no. I do not recommend this one. at all.

Tobreth Hansen says

Read aloud to Cress and Dai =- Phyllis chose not to listen. Blows me away that Dai still loves to hear me read even such a juvenile book.
