Preschoolers can learn about baby animals in *My First: Baby Animals*, an informational book featuring images of cubs, puppies, baby birds, and more.

The bold, beautiful images are labeled clearly, promoting early learning and language skills, and the pages are filled with the distinctive, iconic design of DK's My First series.

Whether read alone or with an adult, *My First: Baby Animals* encourages independent learning as preschoolers get to know little animals that come from all different environments.
