Deepali L says

### Very Good

**Suyash says**

It gives a different perspective to see our own life in different way

**Shweta says**

Yet another masterpiece by Shivaji Sawant.. This book gives us a different perspective to look at the life of Krishna.. NOT as a HERO or GOD but as a HUMAN who wanted to let people know that the greatest power in the world is love. He considered all living beings as his own beloved. He lived to his teachings by spreading PREMYOG in the then Aryawat. What I loved most about this book is it gave me completely agreeable and practical possible reasons behind the CHAMATKARS by Krishna. The reasons why Krishna loved Arjun and Uddhav more are fascinating. The novel gets a bit slow in between but all in all its worth everything!

**Madhura says**

Ankita says

A beautiful book, **Yugandhar** depicts the life of Sri Krishna through the various phases in his life. The book is split into chapters, each chapter being narrated by important individuals in his life, in first person. This gives different perspectives, since the range of people includes his beloved wife Rukmini and his *saarthi* (charioteer) Daruk.

Apart from giving a fairly detailed account of his life, it also had a surprisingly calming effect, and left my feeling rather peaceful even after reading as little as two pages.

Highly recommended to anyone who can read Hindi.

---

### **Vaibhav Kulkarni says**

Good read!

---

### **Ananya Vetaal says**

Yugandhar- is a brilliant piece of work from Shivaji Sawant. Author tries hard to contain the protagonist within human sphere but also surrenders to the divinity at appropriate places. Immense detailing takes the reader into that era. It is a long long piece of text but something worth having and passing onto generations.

---

### **Vaibhav Sharma says**

Can't find any words to review this book. This book has somewhat changed my thinking about Indian religion and Gods. Even the Gods have to obey all the natural laws when they come to this planet as an Avatar. Even they have to face good times and tough times just as we do. So why should we complain.?All we can do is to keep doing our Karma and leave the result on the almighty. After reading this book I feel so blessed to know how to read Hindi .

---

### **Seema says**

I felt like believing every word in this book. I am going to reread it soon.

---

### **Sarvesh says**

Stunned by Marathi literature. The layers, the depth, the characters. A book which is NOT a page turner. Quite the opposite, You savour it, taking in all that is laid out for you with a painstaking deliberateness.

Being an atheist, I found this book extremely enjoyable and was absolutely delighted when the author proclaimed that all the characters are too be viewed as fallible, human rather than the gods they are.

Must read for All and especially Maharashtrians.

### **Ajinkya Deshmukh says**

I recently finished reading this novel “Yugandhar” by Shivaji Sawant the 6th time. But each time I read it, I get a totally new meaning from the same lines n words which I have read twice before. Well, you’ll say that I must have mugged up the atleast 3/4th of the novel uptill now, n that is true! But still when I take it in my

hands, I automatically get eager to read it once again, to know whether there is some more of the Krishna which I have not yet understood even after reading so many times..... He Preached so many examples n teachings by first following it himself, the importance of Mother, Friend, Lover, Husband, Brother, King, each n every role played by a human being in his life. Such a different meaning of every small thing .....
