The Book of Mysteries Jonathan Cahn

Imagine if you discovered a treasure chest in which were hidden ancient mysteries, revelations from heaven, secrets of the ages, the answers to man's most enduring, age-old questions, and the hidden keys that can transform your life to joy, success, and blessing... This is *The Book of Mysteries*.

Jonathan Cahn, who caused a national and international stir with the *New York Times* best-seller *The Harbinger* and then *The Mystery of the Shemitah*, now brings us a treasure chest inside of which are contained some of the greatest mysteries of all time. The reader will discover life-transforming secrets, mind-blowing realities, and heart-changing revelations in such mysteries as the Face in the Waters, the Leper King, the Land of Gezarah, the Secret of the Third Prince, the House of Spirits, the Mystery of the Rains, How to Alter Your Past, the Second Scroll, the Similitude, the Mystery of the Eighth Day, and much more. *The Book of Mysteries* takes the readers on a journey of divine revelation through ancient Scriptures, the laws of Creation, the deep of God's Word, the hidden streams of history, the most important keys of spiritual truth, end-time mysteries, and the secrets of life.

The Book of Mysteries opens up with a traveler and his encounter with a man known only as "the teacher." The teacher takes him on an odyssey through desert mountains, valleys, gardens and plains, encounters with nomadic tent dwellers, caverns and ancient ruins, chambers of scrolls and vessels, and more. The reader is taken along to partake in the journey and in all the teachings and revelations. The traveler keeps a journal in which he writes down each of the mysteries given to him by the teacher in his one-year odyssey—365 different mysteries—one for each day of the year. Thus, on top of everything else, *The Book of Mysteries* is also a daily devotional unlike any other. And each mystery contains a special mission for each day of the year, a mission that takes the revelation and applies it to reality for a life-changing journey.

From Reader Review The Book of Mysteries for online ebook

Nola says

This is a wonderful book that any Christian would enjoy. I read it as a daily devotional and so love the lessons inside. We are also using this book in our Bible Study. I will write more as I progress. I love that you can read a lesson and read the passages in the Bible to confirm and also meditate on the lesson.

Sojourner says

It all started with an unplanned encounter in the middle of a desert where the author met a "teacher" who taught in a "school" which was no ordinary school. The teachings were no less ordinary. It was a unique one in which it was difficult to tell if the teaching was based on the surroundings or the surroundings based on the teaching. It was mainly an impartation of mysteries which would lead to other mysteries or form a larger mystery. The teachings, the mysteries, the questions and answers were noted down in a journal. And by the end of the course there were three hundred sixty-five mysteries, one for each day of the year- a teaching, a mystery and a mission.

The Book of Mysteries opens up with a traveller and his encounter with a man known only as "the teacher." Though some specific questions remained unanswered, the author was in the middle of some kind of a journey through the Middle Eastern desert when the "encounter" with the "teacher" took place. And the schooling lasted for a year. In the narrative, the teacher takes him on an odyssey which revealed to him hitherto unknown secrets and life-changing lessons. The Book of Mysteries is very unique and insightful in its own way. It is also a daily devotional unlike any other. And each mystery contains a special mission for each day of the year, a mission that takes the revelation and applies it to reality for a life-changing journey.

Now the question is: will the so-called hidden ancient mysteries and secrets that have been unveiled/revealed through the pages of the book transform your life? Or more importantly, are they just simply the hysterical rantings of a man who is out to deceive the people? Or, are there really hidden keys that can transform your life? Keys that can bring you joy, victory, success, fulfilment and blessing? I'm in no doubt that Jonathan Cahn is a master storyteller, and I find The Book of Mysteries an absorbing read, especially certain chapters which stupefied me. But in the end, I'm inclined to believe that it is erroneous both in concept and practice. Read it as a story, a book full of ideas! And that is what it is!

Gail Welborn says

365 Powerful, profound thought-provoking devotions from a Messianic Jewish viewpoint

Jonathan Cahn, bestselling author, pastor and Messianic Jew is also known as a "prophetic voice" for this generation. His September 6 release, "The Book of Mysteries" presents a unique daily devotional of 365 mysteries from a Messianic Jewish viewpoint shared by Christians who believe Jesus is the risen Christ.

As Cahn did with global bestseller's, "The Harbinger" and "The Mystery of the Shemitah", "The Book of Mysteries" is wrapped in a fictional format of a year-long desert journey between a "traveler" and a

mysterious man known as "the teacher." Daily one page readings, recorded by the traveler, include a mystery and a revelation in story format. Devotions conclude with a "mission" and Scriptures that support the spiritual truth revealed.

For example, the simple, yet profound devotion for "day 2" reveals the mystery of "I Am" is Yahweh, the anglicized word for God translated from Hebrew and how when we introduce ourselves we must always say His name first. "I am..."

Day 43 is the story of "The Asham," which means "guilt offering." The Book of Leviticus speaks about "animal sacrifices offered by the priests to redeem the guilty." The Messianic Jewish perspective views the "Messiah as The Asham and The Asham as the Messiah. In their view Christ became both the sacrifice and the guilt itself." The spiritual truth is that besides the sacrifice Christ took all regret, shame and guilt away and believers need to let them go too.

Powerful, thought-provoking devotions are both simple and at times stunningly profound with Scriptures and spiritual truths that can be life-changing if applied. Discipline yourself to one-a-day, even though you will be tempted to read more. The video of "The Book of Mysteries" tells a bit more.

'The Book of Mysteries,' by Jonathan Cahn, Frontline Publishing, Hardcover, 2016, 384 Pages, 978-1629989419, \$21.99

Shelley Shrader says

This is a unique book written from the standpoint of a truth-seeker (student) being led through a desert by a first century rabbi (teacher) to discover, unknown to him, his identity and purpose. Each day introduces a new spiritual truth; therefore, I recommend it be read like a daily devotion. I've felt like a child discovering buried treasure each day I delve into the mysteries of the book. Jonathan Cahn has an uncanny ability to bring the reader into the narrative. He weaves the rabbinical biblical model of teaching and discipling that Jesus provided by taking the reader (student) on a illustrative journey using their surroundings as object lessons. His line of questioning brings prophetic insight into scripture and revelation to the importance of understanding our Jewish roots. Each day's reading ends with a challenge to apply what you have learned. It's been truly thought-provoking yet also confirming to me. There's much to glean, ponder and journal. Whether you are a seeker or a believer, this book is for you. Prepare for an encounter: come with an open mind and heart, and a pen in your hand. Note: I received this book free in exchange for my honest review. I do not personally know Jonathan Cahn nor have I received monetary compensation for providing a review.

Reading Faerie says

Interesting.

Sandra says

I keep hearing about this book, so I took a chance and read it. I was VERY GLAD that I did. I read a lot of

Christian books, but this book is very different, it opens a new understanding of God. I want to finish this book as soon as possible, but I also want to savour it so it doesn't end too soon!

This book is very unique, educational, and informative. After reading this book, you'll learn how to walk deeper with God. I'll definitely read his other works.

Thank you to NetGalley for my copy of this book

Joan says

A traveler encounters "the teacher" who takes him on a journey during which the teacher imparts lessons and revelations.

The traveler keeps a journal, given to him by the teacher, in which he records each mystery the teacher gives him. These three hundred sixty-five mysteries combine to provide the reader with a unique daily devotional. Each daily mystery includes a special mission for the day, allowing readers to take the revelation and apply it to reality. Life-changing journeys await.

Highly recommended.

Linda Walters says

I really liked this book and that is saying something. Why? Over time I have had friends gush over a devotional, saying "Oh you just have to get this one, it's out of this world good." Only to be disappointed time after time. They were nice but they really didn't keep my interest all that much. Don't get me wrong I have run across a handful that I really did enjoy but I usually found them myself. This one was one of the good ones. And there was a friend who not only recommended the book to our prayer group, she also gave several copies to a couple of us. Of course, I thought "oh no, what do I say if I don't enjoy it like she does?". This is what I found to like about this book. I liked that it was a one page daily reading and that is how I treated it. I liked that it had scripture references at the bottom of each page. Each Jewish view added a depth to the Bible for me because of being able to understand the times and culture where Jesus lived. Even to begin to understand what some of the words mean BEFORE there were turned into English meanings. Most entries were very easy for me to understand and spoke to my heart a deeper understanding. I also have to admit a few had parts that went over my head but I enjoyed the book anyway. And I have quite a few favorites that I have marked in the book to go back to. And I have already re-read a few of those to let the revelations sink in a bit deeper.

On an additional note, I really like how the light shines off the front of the book cover. Seems like not only was it attractive but also a symbol of the light within.

Vicky says

Written in a short, one page and easy to read principles or mysteries with substantiating bible quotes. Wonderful for daily reflections or even group study. I found many of the "mysteries" to be profound and well written. There is no doubt in my mind that God used Rabbi Cahn to write this book.

Garry Boyette says

This is one of the best books I have ever read. Although it took me quite a while to read it. I used it as a daily devotion sometimes. Other times it called to me, spoke to me at night. This is a revelation of deep spiritual mystery. An insight to the unfathomable mysteries of our Lord and Saviour. It is also a portal into the connectedness of Judaism and Christianity. Are we Christians or Messianic Jews. How did the two become separated? Deep reading, revelations abound. Such insight to the spiritual powers at work in the universe. Such knowledge imparted to reveal the love our Father has for us. Insight into the scripture and the prophecies of old. For greater insight to the Word, this is a must read. Praise the Lord. I want to say I wish I had finished it earlier, but I think it was meant for me to take this long.

William Struse says

Every Day a Journey -

Who doesn't love to explore a good mystery? The very word mystery calls to mind hidden things or secrets just waiting to be discovered. Without a doubt there is no greater book of mysteries than the collection of sacred texts we call the Bible. The apostle Paul in his epistles to the Colossians acknowledged such mysteries by boldly claiming:

“...to the acknowledgement of the mystery of God, and of the Father, and of Christ; In whom are hid all the treasures of wisdom and knowledge. (Colossians 2:2-3)

Today some of those Biblical mysteries are retold by bestselling author Johnathan Cahn. I must admit this probably is the most unique book I've read this year. Part daily devotional, part allegory, and part mystery, Mr. Cahn takes some of the most important principles, stories, and truths of the Bible and retells them in an engaging way which compels you to keep reading.

The format of this book is a 365 day devotional written as a story told from the perspective of a teacher and his student. Frankly, as I started this book I was skeptical about this approach but I soon realized that it works. The narrative kept the story moving so well and the subjects were so intriguing that instead of 365 days it might normally take to read this book, eight hours later I realized I had finished the book.

Now for those wondering if the title “mystery” doesn't make the book sound just a little sensational I can tell you subjects discussed in this book did indeed do the title justice. This was a great adventure in some of the Bible's greatest mysteries, the central theme of which was YHWH's redemptive love as worked out through the history of the Jewish people and the promised “seed” of Yeshua, mankind's salvation of YHWH.

As I read this book last night I highlighted some of the daily devotionals of special interest or profound insight which I intended to share later in this review. Well, when I was finished and I had read back through my bookmarks I realized that I had dozens and dozens so that it would be impractical to reproduce them here. Suffice to say this book is about God's love for mankind and the many wonderful ways in which that love is expressed in Biblical record.

I will say there were a few stories in this book that I didn't completely understand and there were also a few which I felt overreached the underlying Biblical truth but this may have been due to my own lack of understanding or some misunderstanding on my part. I gave up a night's sleep to read this book and frankly it was worth every minute of it. I appreciated the message of this book so much that I will be purchasing a paperback copy to read as part of our family devotional. It will be sure to engender much wonderful discussion.

I would like to just mention just one devotional which really meant a lot to me personally. The subject of Daniel 9 and the prophecy of 70 weeks is a subject which is dear to my heart. On day 320 in his book Mr. Cahn talks about The Karat or the cutting of a covenant with Abraham and the "cutting off" of the Messiah. He makes some truly wonderful points in this devotional which many miss when discussing the topic.

Not mentioned, but also worth noting is that karath (cutting off) is first mentioned in the Biblical record in regards to Noah and the destruction of mankind. There the waters karath mankind because of their sins. Nearly 1500 years later the Messiah was karath (cut off) but not for himself. Indeed he died so that all mankind would not have to perish. In any case this is a wonderful Biblical theme which is worthy of further discussion and reflection.

In closing let me say I really enjoyed reading this book. It was a wonderful journey through many of the Bible's greatest mysteries. I didn't agree everything Mr. Cahn wrote but the book has a wonderful redemptive message which really shines through. This is a book which will keep you thinking long after you've read the last page.

Dawn says

A mind blowing experience. I will probably purchase the book to use as a daily devotional.

Rita Speers says

Excellent perspective!

I recommend this book to everyone who wants to broaden their understanding of the Bible by gaining understanding of the language and culture of those who recieved the Word from God and wrote it down originally.

Connie says

I have been pleasantly surprised by this because it isn't your typical devotional. It has a daily revelation about a Biblical mystery, an in depth look at a Bible passage, or an in-depth look at a word from the Bible. Each message includes Bible verses to look up from the Old and New Testament. I feel that Jonathan Cahn really put a lot of time, research and thought into this. I appreciated how he tied so much of the old testament to the new, and gave me a deeper understanding about how connected the Bible is; I was truly awed by that.

The book has a story about a searcher who meets someone who teaches him something every day. While I

wasn't really thrilled with this backstory, It does work, and I did find that I look forward to each message. I highly recommend this book.

Larry Thacker Jr. says

It would require a Greek and Hebrew scholar to properly review this book, but I have studied the Bible long enough to recognize the truth in it. "Treasure chest" is not just advertising. There were a few statements that didn't feel right to me, but weighed against the rest of the book they are at worst questionable usage of terminology. The reader is encouraged to follow up on each teaching from material on the author's web site. I did not do so, knowing that if I attempted to treat the book as the design suggests, as a daily devotional tool, I would never finish it. It would certainly serve that purpose well. You will not find the light platitudes common to such material here.
