Bijeli jelen Vladimir Nazor

Vladimir Nazor nas u BIJELOM JELENU uvodi u bajkoviti svijet oživljene šume. Ova priča najbolje djeci približava i prilagođava Nazorov osebujan smisao za mitsko i fantastično-bajkovito izražavanje.

I totally forgot about it. I used to adore this tale when I was a kid. It was so pure and beautiful.

Jadranka says

Divna prica koja me je ponovo vratila u detinjstvo kada sam bila odusevljena lepotom i bogatstvom Naborovog jezika.

Gordan Karli? says

I am sure this is a beautiful fairy tale, but I am kinda too old for fairy tales so it is just a kinda ok story. Read this to the kid and I am sure result will be much better.

(3.5 rating)

Divna bajka, iako prebrzo sastavlja radnju za radnjom.

Veljko Hercegovac says

I love this book. I read it when i was 6 and i still enjoy it so much!!!

Monica says

Another one of my younger sisters' school book reports. It was a lovely and pure fairy tale centered around a goose girl Anka and the first animals.

Noa Kolombo says

Knjiga mi se svidjela zato što se svi ljudi i životinje mrze, a Bijeli jelen i Anka postaju prijatelji. Bijeli jelen mi je najbolji lik jer je znatiželjan i ne mrzi ljude.
