Corruption

Jack Greene

Corruption Jack Greene

When Tom went to a dance club with his friends, he wasn't looking for love. What he found was a sexy young male dancer who turns his life inside out.

Tom's never had a male lover but when he meets Cameron he can't get him out of his mind. Tom wants Cameron badly, but is it for more than just one night?

Ebook Addict Reviews says

Like any other Jack Greene book, Corruption is a wonderful amalgam of humor, sexiness and romance. Oh and erotic... heaven knows you can't ignore the eroticism. Honestly, I've already read this book three times and I seriously cannot get enough.

Tom is a great guy whose life and everything he knew about himself has been turned upside down, inside out and flung to the winds. But the man is smart and does know himself and he definitely makes the story.

Talk about a coquette! Cameron is—or at least seems to be—so very sure of himself; watching as he further entrances Tom is a wonderful and libidinous thing. It's a sure thing that he's never met anyone like Tom before...but the same is true of Tom; he's never, ever come across anyone like Cameron.

What I liked best, though, was Tom...never let it be said that he was going to be predictable. And so goes Jack Greene's gem of a story, Corruption. Does this count as a 'gay for you' story? Uh yeah! Or maybe, just maybe, it's not as GFY as you might think.

But you'll have to read it to find out for yourself, because this is a story that any fan of m/m romance—HEA (happily ever after) or HFN (happy for now)—will enjoy. I just know it.

Kathy K.

Mandy*reads obsessively* says

I first read this one in March of 2011, but decided to do a quick reread.

Tom is out with friends and as luck would have it, they end up somewhere they hadn't actually planned on, and Tom's initial annoyance changes when he sees a vision dancing so erotically and Tom is instantly taken with this dancer.

Imagine his surprise when it's a *him* dancing and not a *her*.

His panic subsides and as the week goes on he knows he can't get the man out of his head.

This is a short story, but I liked it, Tom really accepts his attraction to Cameron quickly and relatively easily, no angst and drama there. He also shows the slightly jaded Cameron that he isn't like all the other guys, he wants more from him. Cameron expects Tom to just walk away and not look back, but walking away isn't what Tom wants at all.

I would have liked more of these two..

Merith says

Short, quick read full of just the right stuff. Cameron is a dancer who likes dressing in women's clothing, dancing and having sex with straight guys. Tom is a straight man who finds himself obsessing over Cameron, even when he finds out Cam is all male. Their coming together is hot; the start of their dating is

sweet and the two are wonderful together.

Lucy says

Tom goes to a goth club by mistake, and falls in lust with the girl dancing in the cage. Except the girl turns out to be Cameron, who is very much male. Sweet story of how the two come to terms with each other.

Tam says

Tom and his friends plan to go out to 80's night but end up in a goth/industrial club. Tom sees a dancer in a cage and thinks she's gorgeous. When he finally sees her face, ack! she's a he. He freaks as he's never been attracted to men before and runs, but he can't get the guy out of his head and goes back the next week. This time he guy comes up to him and says he likes straight guys and takes him home. It's amazing, but the guy is used to straight guys who never call back (duh, that's what happens when you sleep with straight guys) but Tom is determined to show Cameron he's different. He finds out where he works and sends him flowers, takes him out for dinner and reveals his feelings. This runs very close to the insta-love line, they both admit to almost love after seeing each other twice in 2 weeks and Tom is pretty open after his initial freak-out to being with a guy. However the sex scenes were hot and for a little short it was good.

Lily says

3.5 stars

When Tom goes to a dance club with his friends he sees and becomes fascinated with a beautiful cage-dancing girl. But to his surprise when he gets a closer look he discovers that the beautiful girl is really a gorgeous, and totally sexy, guy. But Tom's straight, right? How can he be attracted to a guy? Deciding to just go with the flow he ends up in bed with Cameron. Will this be a one time thing or has Tom discovered a new direction in his life?

This was an entertaining story that kept me engaged from beginning to end. I liked both of the protagonists and their developing relationship was fun and interesting to read. The sex scenes are hot but it was the sweet moments between Tom and Cameron that hooked me. I did find Tom's sudden and very easy turn to the 'gay side' a bit unbelievable but overall it worked for this short story.

Joss says

Normally when I read a M/M story, I like the characters to be a bit more manly. A gay guy that could pass as a girl doesn't quite do it for me but I did end up liking this story. I liked the fact that Tom had never been with a man before and I think Cameron being so pretty definitely helped Tom admit to the fact that he was attracted to a man. Overall I liked the book. It wasn't some big novel and basically just covered Tom and Cameron meeting and getting together. I liked their relationship and I liked both main characters. I would read another book from this author.

blub says

Tom goes out to the clubs with friends to relax. Expecting the club to be 80's themed, they instead walk into what appears to be a goth themed night. The boys decide to stay and it's there that Tom sees and is immediately attracted to a female cage dancer. The only problem with this is that as Tom gets closer to the cage dancer, he discovers the dancer he thought was a female from afar is actually a very attractive male.

A lovely steamy read. Tom and Cameron were adorable together and the chemistry was sizzling. It was nice getting the POV from both characters and really helped readers to understand the logic behind their actions. The story was very descriptive for a short read and made it really easy to imagine the MC's and the goings on in the story. In fact while reading some of the sex scenes I thought all the heat pouring off my face would crack my glasses.

Merith says

This delicious little short was recommended to me and definitely hit the right spots. Cameron is confident in most all aspects of his life, but not used to tenderness, dating and someone caring for *him*, not just his body, the way he dresses, how he dances, or the pleasure he gives. Tom finds he loves the whole package, mini-skirts, nail polish and make-up.

Natalija says

Talk about sizzling chemistry between the characters... Tom & Cameron were the perfect match. Their story was a great combination of undeniable attraction, hot sexy times & tenderness. So far I have read 3 books by Jack Greene & I'm not able to choose my favorite couple. They all are great & unique. Well done! Way to go.

Chris says

Steamy short m/m romance about a straight guy who finds himself unaccountably drawn to a woman dancing in the club Corruption... even after he realizes the woman is actually a twinkly boy.

Ami says

This book has the common trait of physical characteristic in two of other Jack Greene's stories I read: an effeminate, pretty and slender character. BUT, I enjoy this story better than the other two (even though they're also entertaining read). I think the setting in which Tom and Cameron meets -- how Cameron dances with his lithe body against a pole, tantalizing Tom -- is HOT.

I love their chemistry. I love how Tom doesn't become a jerk and contemplating whether his attraction to Cameron is wrong. Even when he finds out that Cameron is a guy, not a sexy girl dancer. In fact, he just accepts it, and even goes to prove to Cameron that he is different than the other guys Cameron have been with. The flowers is lovely as well as the dinner date. I love these guys and smile contently at the promise of an HEA.

I think I will try to read more stories from Jack Greene. I kind of enjoy his stories.

M/mromanceaddict says

Really good, short novella. Tom is a straight boy out on the town clubbing w/ friends, while partying he sees the hottest girl he's ever seen dancing in a cage. There's a problem, cage-dancing Cameron is not a girl. Loved it.

Anna says

I had never herd of this one but when I was sitting and Reading about Talk Dirty To MeI had suddenly clicked my way to Corruption as a free read on scribd and since it was short and the children were sleeping I read it right there.

A sweet gay for you story with a pretty dancer and a up to this day straight man. Short and nice.

Kinny says

I am glad that this is not a HFN or make your own ending type of short story. Characters are well developed that we can see Tom is thinking long term in terms of Cameron. So yes, the two end up.

I love pretty twink boys and someone as nice as Cameron deserves a nice guy who loves him back and will treat him right.

Hope JG makes an expanded version or at least shows us a full blown happy ending. Would love to read about Cameron and Tom again.
