## **Dark Night** Caris Roane

Reader alert: DARK NIGHT is part of the Amulet Trilogy, three shorter novellas set in the world of the amulet in which Master Vampires protect and use powerful amulets to keep their tribes safe. This trilogy is one of my sexier offerings, so be warned!

## **DARK NIGHT**

A powerful master vampire and an unwilling witch must work together to retrieve a killing amulet from a dreaded enemy...

He never wanted to love a witch...

When a powerful amulet is stolen from the Fealconshire tribe, Master Vampire Eligio goes on the hunt and learns that the sexy witch, Sol-Brenna, has bought it illegally on the black market. Because the amulet can be changed from a source of healing to an instrument of death, Eligio must get the amulet back. When he presents Sol-Brenna with an offer she can't refuse, Eligio soon learns he'll have his own price to pay...

She never wanted to be bound to a vampire again...

Sol-Brenna loves her witch's trade and takes pride in her brews, concoctions and erotic salves. But when Master Vampire Eligio comes to her door presenting her with the choice between extensive jail-time or a single night of love, Sol-Brenna finally gives herself freely to the vampire despite his threat of incarceration. But in surrendering, she starts down a path that may cost her much more than she ever dreamed possible...

## Rebecca Stigers says

I love these vampire stories...and the witches..they all seem to fit together so well. He didn't know exactly what he felt at the time and she wasn't sure. Both had suffered loss.. but now..WOW .  
Caris Roane has a way with the pen ...love reading her stories...

---

## Shauni says

Originally Reviewed For: Tea and Book

Dark Night is book two in Caris Roane's Amulet Series. In this series, Caris tips her hat to erotica and I promise, sex plays a huge part. It's important to understand that it is used as part of the story not gratuitously but it's still used, a lot.

Dark Night is a bit longer than Wicked Night and tells us a bit more about the Amulets and how they were created and how they can be used. It's also longer so there is room for more story telling.

Master Vampire Eligio is pretty much on the prowl and rather horny. You would think any female would do but nope, he wants the witch Sol-Brenna but she's been keeping him at arm's length. But she just purchased and amulet on the black market and that's a big no-no. Eligio is willing to trade justice for sex all he has to do is get her to agree.

Sol-Brenna is a powerful witch with a long family history. Her family is actually the one who crafted the amulet originally centuries ago. When she finds it for sale she knows it needs to be taken off the market. It's too dangerous. It is a healing amulet but the right witch can bathe it in her potions and turn it into a killing one. Her intentions are good but that darn vamp is on her trail and wants to barter. Sol-Brenna doesn't want a relationship with another Vampire but when these two get together things combust.. and no one is saying no.

While this book has more to it than Wicked Night it still lacks Caris' usual deft hand. There is just not enough story well the story is there it's just missing something.

As you know, I adore Caris Roane and while I am harsh on this particular series, it might just be that it's not my cup of tea. I seriously suggest you take the time to check it out because no matter my thoughts, there is no getting around the fact that Caris knows how to tell a story.

#### My Review:

Left over girlie giddiness... This is the first book in the Amulet trilogy I've read but I'm loving what I've read so far. The only thing I really wish I'd gotten more of was the actual Amulet story as it seems to of been for the most part forgotten somewhere in the romance and relationship. However I love the world, I love the characters.. There's a lot that I really like about this novella. I just wish it was longer! I want more.

### **Nikki says**

Quick read I finished within a few hours and very entertaining. Vampire Eligio has a thing for the Witch Sol Brenna and he will stop at nothing to have her even if it means extorting it out of her. Which is exactly what he does. Armed with a warrant for her arrest, although buying in the black market may be illegal everyone does it and seems to be something that isn't really punished since it's such a common practice, Eligio uses this to extort sex out of the one woman he wants and can't seem to get out of his head. Both have things in their past that prevent them from either acting on their feelings or getting too attached but soon they find themselves embroiled in a life or death pursuit of the amulet that Brenna purchased from the black market and then in turn was stolen from her. Soon the two can't seem to get enough of each other and bond over the ordeal that finally makes them face their pasts. Really enjoyed this book and loved how short yet through it was. Sometimes you just need a quick read when you have been reading such long novels and this is just the pick me up you need!

Copy gifted in exchange for and honest review.

### **Malinda McConnell says**

I really enjoyed Dark Night, Book 2 in the Amulet Series. The characters were well developed and the story well written. The main characters for Dark Night are a master vampire, Eligio and a witch, Sol-Brenna. Sol-Brenna had illegally received one of his amulets on the black market and he planned to use the threat of jail time to lure her into his bed. In order to stay out of jail, Sol-Brenna agrees to his wishes but makes it quite clear that it would only be one time because she had no plans to fall in love with another vampire. But this is a Caris Roane novella and you know it can't be that easy. There are bad guys and spells and more suspense than should be allowed in novella and I loved every bit of it and you will too.

### **P Leslie says**

I received a copy via Insta-Freebie for an honest review.

I really enjoyed this book, it was funny, sexy yet hot as hell.

Will Sol-Breena accept or reject Eligio's proposition?

Sol-Breena made me laugh in the beginning with her choice of words to describe the persistent vampire waiting outside her house. Eligio was equally entertaining especially, when he keeps referring to her as cherry pie which really frustrates the crap out of her. He teases and annoys her but she still can't help being insanely attracted to the hot vampire. The sex scenes are insanely steamy: their chemistry is off the charts.

I enjoyed the narrative which was witty, funny, and sexy. This was a short book but it was funny and entertaining. Wouldn't hesitate to recommend it.

### **Chris N says**

Vampire Eligio is searching for a missing amulet that belongs to him and has traced it back to the witch Sol Brenna who has had it for a year. The amulet actually is part of her heritage and belongs to her as well, in the wrong hands it can be spelled to kill and is very dangerous as it is valuable. Eligio has lusted after Sol Brenna for years and it's a mutual lust. The amulet gets stolen from Sol Brenna by a more powerful witch. The hunt is on to get it back before it can be turned to kill.

Another short and steamy read by Caris Roane. While I wasn't keen on the first novella in this series I liked this one better. The story was more fleshed out and felt fuller and more of a novella than the last. It took me about an hour to read and is a great short story if you don't have much time.

Book gifted by author in exchange for a fair and honest review

### **Christine Croke says**

Loved this second book in the series. Sol-Brenna is a witch who does not want to be bound to a vampire again. She loved and lost one already. Master Vampire Eligio has been trying to get her to bend to his way for years and he finally finds a way. He connives his way into her life and against everything they fall in love amidst trying to get a healing amulet that can be used for evil back.

I was given this e-book by the publisher for the purpose of an honest review. My conclusions are my own. I was not compensated in any way.

---

### **Cheryl Sanders says**

This short story is about master vampire Eligio and witch Sol-Brenna. He wanted her desperately but did not want to be bound. She wants him secretly but had already survived losing her vampire fiancé with whom she was bound to. She didn't want to lose another but the tendrils of both have other ideas in mind.

This is the second story in the Amulet series. A fantastic short in a series of shorts. I love these intense master vampires and the quirky little witches that fate puts in their paths. I can't wait for the next story.

Received a copy in exchange for an honest review.

I was not compensated for my review.

I was not required to write a positive review.

The opinion expressed is my own.

### **angela says**

This was an excellent short story, about a Master Vampire and a witch with a bit extra;) The vampire Eligio, likes Sol-Brenna the witch.

He finds out she is in possession of an amulet, that if becomes in the wrong hands would be dangerous. So, he goes to her to get the amulet. However, it's fallen in to the wrong hands. So they embark on a journey to retrieve it, hopefully before anything bad happens. They also embark on a sexual adventure together, that may or may not end with them being mated.

This is really a good book, especially if you're into vampires. This book is not for anyone under 18.

I didn't read the first book, I wish I had. This book came to me for review, that is why I hadn't read the first one. Although, it was fine I would recommend reading the first book.

---

### **Merissa (Archaeolibrarian) says**

I received this book from the author in return for a fair and honest review.

This is a short and spicy quick read about Soli-B, a witch who has been bound to a vampire before, who is fighting against her attraction to Master Eligio. He, of course, doesn't play fair and will use anything to gain an advantage, including a warrant of arrest.

This is a novella so therefore it moves along at an incredible pace - everything happens within the space of a few short hours. There is attraction, flirtations, humour, the threat of violence - all within a few pages.

If you are on the lookout for a hot, coffee-break book, then I can highly recommend this book and The Amulet Series as a whole.

The Blurb:

Reader alert: DARK NIGHT is part of the Amulet Trilogy, three shorter novellas set in the world of the amulet in which Master Vampires protect and use powerful amulets to keep their tribes safe. This trilogy is one of my sexier offerings, so be warned!

## DARK NIGHT

A powerful master vampire and an unwilling witch must work together to retrieve a killing amulet from a dreaded enemy...

He never wanted to love a witch...

When a powerful amulet is stolen from the Fealconshire tribe, Master Vampire Eligio goes on the hunt and learns that the sexy witch, Sol-Brenna, has bought it illegally on the black market. Because the amulet can be changed from a source of healing to an instrument of death, Eligio must get the amulet back. When he presents Sol-Brenna with an offer she can't refuse, Eligio soon learns he'll have his own price to pay...

She never wanted to be bound to a vampire again...

Sol-Brenna loves her witch's trade and takes pride in her brews, concoctions and erotic salves. But when Master Vampire Eligio comes to her door presenting her with the choice between extensive jail-time or a single night of love, Sol-Brenna finally gives herself freely to the vampire despite his threat of incarceration. But in surrendering, she starts down a path that may cost her much more than she ever dreamed possible...

~~~~~

We meet Eligio and Sol-Brenna in Wicked Night. They've known each other for years and have wanted each other, but Sol-Brenna refused his advances until he showed up with a warrant for her arrest over the illegally bought amulet and gave her a choice between jail and one night with him. She chooses to be with him for the night and that choice results in a search for the amulet. Danger lurks and feelings are revealed as they work together to find the amulet before it's too late.

Hot, short novella. I really like this world and the characters in it. I also love that so much is packed into such a short story. Caris Roane has done it again.

### **Karen says**

««Copy gifted in return for an honest review»»»

Predating the Blood Rose Tales, this short story provides an additional facet to the BR series. I enjoyed the dynamics between the Master Vampire and the human/fae widow he has patiently courted for two years in book one. And the Master Vampire in this book has become enamored by the feisty witch who is now in possession of an amulet that can be turned deadly in the wrong hands. Because these are short stories, they move quickly, but are packed with passion and adventure. I definitely recommend them and am happy to add them to my reread list.

---

### **Carrie says**

I received a copy of this book in exchange for an honest review.

This short story continues along with the amulet tales and takes place in the world of master vampires and witches.

Eligio has been trying to "woo" Sol-Brenna for a while now. When he finds out that a powerful amulet has been purchased on the black market by none other than the witch he's been hunting, he uses this information to his advantage. With blackmail as an excuse, these two really ignite the pages (of my kindle). There's oodles of sexiness which unfortunately distracts them from the evil-doers out there who also want to get their hands on the powerful amulet.

These are short, sexy reads that give an itty bitty glimpse into what could be a really neat world. The author can really set the stage with a full length book but I found these stories a little too short to get really good.

---

### **Allyson says**

Once Again Wow! I started reading Caris Roane's Ascension Series where I fell in love with her books. I have found a new series I love. This is Eligio and Sol-Brenna's Story. Eligio is another master vampire we met in Wicked Nights. His character was easy to fall in love with he was sexy, built, powerful, protective, charming, loyal, caring, persistent. Sol-Brenna was witch who never wanted another vampire in her life again. Eligio had been pursuing Sol-Brenna with no luck until a warrant for her arrest changed things. This is not a full length novel so great short read that is hot and steamy, filled with Romance as well as suspense and action. I highly recommended. I was given an ARC copy of this book in exchange for a honest review. All thoughts and opinions are my own. My review can be found at <http://booksbooksmorebooks.blogspot.c...>
