Forgotten Family

Brynn Paulin

Forgotten Family Brynn Paulin

Book three in the Circle of Three Series They'd found happily ever after - then one of them forgot. Twelve years ago, Marina Cranston and her lovers Kyle Gerber and Marcus Byrnam founded the community of Cranston as a youthful flight of fancy. Young and idealistic, they wanted to have a place to share their love and reside with people who understood and lived the same lifestyle. Bliss was theirs with troubles staying outside Cranston's gates. Until a year ago... Tragedy struck and they've struggled to recover, but when Marina is in a car accident, she forgets Kyle and Marcus. Now the trio must fight for a future. If they fail, the very bedrock of Cranston will be fractured, but the damage to their hearts will be even greater. Reader Advisory: This book contains menage lifestyle, where the men are also intimate and sexually active. It also contains light bondage/BDSM games."

ValerieC says

This is a sweet story, with a happy ending:

- amnesia
- dripping candle wax (eeeeew!)
- sadness and loss
- remembrance and a new way of dealing with emotions
- new life

I thought this was a much more complete and satisfying story than 'Tempting Tamera' (Circle of Three Book 1).

But, all in all, this is not one I will likely revisit.

rm2h says

I rated this low due to the middle of the book and how it progressed. When someone has amnesia, I do not think it is a good idea to subject them to heavy sexual play. It really made the story go down from there. I wish the author would have slowly introduced her to this as she was trying to cope with lack of memories figuring that something was wrong. She has no idea what is happening and how her life was before her accident.

Karla Mendoza says

I loved this history, Brynn Paulin thanks for this books!! Marina is strong woman, the history begins with the loss of memory of Marina, she doesn't remember her life or her men, Kyle and Marcus, but she can feel a connection with these two strangers. She can see that these boys try to do everything more easy to her, when she has the first night with them, she remembered some things, but she knows that something is not ok.

In all the book we can read about how Marina tries to postpone the truth, the only thing that she is certain is that she really loves them, she can't live without them.

I liked the book because it is about a circle of love, they love her and make everything they can do to not lose her, at the same time she tries to resolve the mystery of her memories and repair their relationship and live happy with Kyle, Marcus and the new family.

Heather in FL says

I can't put my finger on why I didn't like this one as much as the other two and the short story. Sure it was hot. It was great that even without her memory, she felt like she belonged to these two men automatically. But I guess maybe I just didn't feel as engaged as the other two. I obviously didn't hate it, I just didn't like it as much.

Mary Rosado says

Very good!

Georgelys says

muy bueno el libro pero en realidad no es mi favorito! xD

Linda says

HOT!

adinda widya says

WTF ?!?!???

aq bener" gag percaya bakal baca yg kayak beginian. udah adegan BDSM yg banyak , 2 cowo 1 cewek pula , OMG !!!

ce ini terbangun di rumah sakit trus tiba" ada 2 co yg dateng n ngaku kalo mreka ber.2 tuh SUAMI.NYA , , *gileee , , serakah bgd nih ce* !!!

si ce ini hilang ingatan maka.nya dy gag bs nginget kalo dy punya SUAMI 2 .. ya ALLAH !!! ce ini juga sempet punya anak tapi meninggal gara" kecelakaan kalo gag salah. tapi ahir.nya dy juga punya anak lage nama.nya declan n lucan , ,

sial.nya si ce ini jadi inget semua.nya lage , ,
adegan 'gituan.nya' bikin kipas" , , huft T.T !!

bener" buat 18++

Cyn Mistress Kitty says

Very good short story about a woman who develops amnesia about a very traumatic event that took place in her and her husbands lives. Made me cry.

Warning*** contains explicit sex, mild bdsm, candle play and m/m/f committed triad relationship.

Valeria Mendez says

La historias son tan cortitas pero bonitas, y como se va a desarollando la historia es lo que mas me encanta de todo y claro los sexys hombres que sacan aquí , una delicia

Red says

I love reading Brynn Paulin and this one was no exception. I thought this one was different and unique. Most stories with amnesia are poorly written, but this one peeled away piece by piece to reveal a little at a time what was important. I loved all three of the main characters. The men were hot! I thought that Ms. Paulin really out did herself with the sex in this book. The use of the candles was probably one of the most erotic scenes I have read in a very LONG time. Keep up the good work and I can't wait to read more!

Dominus~ says

It would have been fun if there was babies that she forgot, I think I have read somewhere about that and it was freaking awesome.

Angie (Mind Malfunction) says

Forgotten Family is book three in the erotic menage series Circle of Three by Brynn Paulin. I loved this story. Definitely sexy with great, authentic scenes, a good story, and lots of menage action. In this story, we meet a woman who wakes up in a hospital with no memory. She was in a car accident and a traumatic event triggered amnesia. When her two husbands force their way into her hospital room, she should be terrified, but she's relieved. She doesn't remember them, but she's comforted by them. The more time they spend together, the more she remembers about their relationship. The scenes are HOT and involve M/F/M, and M/M. When she remembers the event that lead to the amnesia, her memories flow back and she's relieved. She finds peace with the event and the three are able to move forward.
