High-Risk Investigation Jane M. Choate

FATAL TRUTH

Finishing the investigation that got her parents killed is reporter Scout McAdams's top priority—even with someone threatening her life if she doesn't drop it. But she'll reluctantly accept former army ranger Nicco Santonni as her bodyguard...on one condition. He can't try to stop her from uncovering the truth her true-crime writer mother was searching for, despite the danger. Though the pretty—and stubborn—journalist may not want a bodyguard, Nicco knows she needs one, and he aims to shadow Scout's every move. But while Nicco may use every tactic to keep the killers at bay, when the truth proves deadlier than they ever imagined, will they live to tell the tale?

From Reader Review High-Risk Investigation for online ebook

Vicky Rudder says

I could write a book. You probably could too. But would it be any good? Not mine. I love to read books. This book is one of the best romance suspense books that I've read in a long time. It has witty conversation, plenty of chemistry, and a heart pumping plot. I loved the characters and hated for the story to end! I will definitely be checking out more books from this author! Well done and please keep writing!

Kav says

I enjoyed the page-turning intensity of this romantic suspense. High-risk investigation indeed. Scout doesn't have an inkling of what she's walking into when she won't give up investigating her parents' murder. Danger is stalking her...and so is Nicco Santonni but for all the right reasons. Being a bodyguard in the shadows has its difficulties -- especially when his unsuspecting client keeps putting herself in dangerous situations.

And the romance -- clear off your fainting couch, readers. It heats up after the initial spark ignites at their high-action introduction and keeps on sizzling ever after. These two are definitely made for each other...if they can stay alive long enough to enjoy their new found love.

Jane M. Choate is definitely on my short list of 'must buy' romantic suspense writers.

Harlequin Books says

"Scout is a strong, independent heroine determined not to be a victim. There is an appropriate blend of romance and suspense, and the action is well choreographed" (RT Book Reviews).

Glenda Parker says

My review today is on the Love Inspired Suspense, High-Risk Investigation. I enjoy all of Jane's books and this one is excellent. It's well written, action packed, and fast paced. She has woven her faith throughout the story like a fine tapestry. I know you are going to love this one.

Journalist Scout McAdams makes her mother's investigation her first priority after her parents death. Her mother was a best seller true-crime writer and was in the middle of an exposé. Scout must find out what is going on even though someone is trying to stop her.

S&J Security/Protection Operative Nicco Santonni is hired by his sister-in-law to be a body guard to protect Scout. It is suppose to be a secret. The threatening letters she has been receiving has his sister-in-law really worried about her friend. As a former Army Ranger it will take all of his training to keep them alive.

A journey of two courageous souls battling their enemies to find their way to true love. God has a plan for

these two, a plan for good and not for evil. God has a plan for you too, a plan for a hope and a future. Give Him your heart, trust Him, and watch Him move in your life.

Received 4 stars @ RT Book Reviews

Leslie M. says

I reviewed this for *RT Bookreviews Magazine*: <https://www.rtbookreviews.com/book-re...>

Scout is a strong, independent heroine determined not to be a victim. There is an appropriate blend of romance and suspense, and the action is well choreographed. Though there are a few lulls in the plot. Choate's characters demonstrate the importance of relying on the Lord when human strength falters.

Journalist Scout McAdams is determined to find out why her parents were killed, and she believes that information will be found by finishing what her mother started: doing research for a true-crime story. She believes her father's death was collateral damage. Unfortunately, Scout's life is now in danger. A former army ranger named Nicco Santonni is tasked with keeping her safe, whether she wants his help or not. In order to do that, he needs to set his past and his guilt over losing the woman he loved aside. Is it possible to outrun one's past? Will the truth be deadlier than Nicco and Scout expected?
