The Book Junkie Reads . . . says

This series gives you something more beginning with an in-depth background in Sugar Daddy and it leads you into the Blue-Eyed Devil with major info and smoothly flows into the Smooth Talking Stranger. Each book brings something different and unique to the reader.

Joan Haughton says

Loved these stories, Blue-eyed Devil was my favourite, I loved how the hero redeemed himself from the Sugar Daddy and the heat was simmering and great. My least favourite was Smooth Talking Stranger the story did not grab me like the two previous books. Still I enjoyed the series looking forward to book 4, Joe's story. Bring it on Lisa, Bring it on.

Some things are dated but alpha males and strong female characters are always loved! One of my very 1st audio books I picked up from the library ages ago.

Marianne says

All in all, these were pretty good. I think I liked the third story the best, but the other two were very engaging.
