## Soobie's scared says

A tredici anni, Soobie scriveva:

Bel libro. Gerolyn va a Parigi per un anno a studiare e non fa che pensare a Jack, il suo vicino di casa in America. Quando tornerà a casa, Jack si metterà con lei e Gerolyn capirà che non è lui che ama.

## Danielle says

Bwahaha... found this in the book sale. I LOVED this book when I was a kid, and haven't seen a copy in years. It was so bad!

## Amanda says

I liked this book. It was a good little romance. I love the Love Stories series and this one was pretty good.

## Lauren says

Before I even knew anything about Sabrina I read this and loved it. One of my favorite teen reads. Read it multiple times and can still remember parts of it many years later.
