## **Promise of Malice** Marla Madison

The third book in the Detective Kendall Halsrud series is here!

When Kendall becomes a date rape victim, the incident triggers a series of events that send her life into a dangerous freefall. Still struggling with the remains of her relationship with ex-lover Adam Nashlund, Kendall is temporarily suspended from her job, and she joins Nash, who has been hired to locate a man's missing wife.

A rape-homicide in the area leads Kendall to investigate the case of a rapist who leaves his victims tattooed with a strange symbol. Kendall's neighbor, Brynn Zellman, card reader and reformed computer hacker, identifies the tattoo as a Reiki symbol and helps Kendall unearth the truth as both cases become intertwined.

## **Katie Mettner says**

Ms. Madison has released the third book in the Malice series and what a ride! From the very first page the action starts and doesn't ease up until the last page. In Promise of Malice, Kendall, a detective for the Eau Claire Police Department, finds herself a victim, but she's not the last. There are girls out there turning up raped and dead, with a telling sign on every body. Do they have a killer on the loose or a rapist? After her attack Kendall finds on forced absence from work as a detective. In order to help solve the case she has to agree to work with Adam Nashland, her amnesiac lover, who doesn't remember their relationship. Putting her hurt and anger aside, Kendall teams up with Nash, and her next door neighbor Brynn, to find a rapist turned murderer before he finds her.

Set against the beautiful backdrop of Northern Wisconsin, Promise of Malice will have you on the edge of your seat until the last woman is safe. The question is, will Kendall come out of this case alive and with her heart intact? There's only one way to find out!

I give Promise of Malice 5 cups of better put that coffee in a travel mug, 'cause it's gonna be a bumpy ride!

## **Gabrialle Martin says**

### **Dark**

Extremely dark side of human nature explored in Promise of Malice. Could not put it down. Amazing group of characters and their development.

---

## **Rhonda Gulnac says**

### **Thrilling**

This series has been exhilarating, and I can't wait for the next book. Keep you in the edge throughout the whole book!

---

## **Jill D Coffin says**

### **Engaging Read**

Creative, well crafted characters and storyline filled with sidesteps into sub-plots make this book a real challenge to set down! Lots of suspense and a bit of romance make for a winner.

---

**Cassandra Hecate says****Excellent!**

This series will definitely go on 'my favorites ' list. I've read thousands of books(no exaggeration)and have less than 100 favorites. Great story,well developed characters, awesome style.

---

**Diana K Martin says****Completely a 5 star book!**

Honestly the entire series was five star, as well as the series before it. I found these books (all six of them) spellbinding. I really had trouble putting them down. They have all the perfect ingredients for anyone who loves mystery, romance, tenderness, and even animals. Please try one or all of them. I know you won't be able to stop at one!

---

**Rosemarie Evans says****Wonderful**

I have enjoyed reading all 3 books, and I do hope that we see more of Kenny and Nash. Marla, you are great writer and I loved every single character. To me, I don't think that you have to many characters in your book's. Keep those characters coming.

---

**Ruth King says****Malice Series**

This is the third book of the series starting Kendall. Solving cases, financing an old love, and protecting friends keeps the detective busy! Throw in a stalker and serial rapist case, and it is a must read!

---

**bonnie kirchner says****Promise of Malice**

This was a very good series. I really enjoyed it. I highly recommend this series. I wish there were more books in the series . I hope she writes more books in this series.

---

**Deborah says****Good read**

Read all 3 books in this series all were good and kept my attention. Highly recommend this author and series

---

**Diane Hoffman says****Gripping**

Love the characters and the storyline keeps you hooked until the end. Cannot wait for the next one! A fantastic read.

---

**Nancy Silk says**

"Non-Stop Action With Compelling Characters"

In this third book of the series, Kendall becomes a date rape victim...well, almost! She and Russell Nielson had dated for a few months. When he forcefully tried to take advantage of her, she out-powered him. Because of her attack on Russell, her boss is fearful of a police brutality suit, thus she is soon suspended from her police job. She's decided to join Adam "Nash" Nashlund who has been hired to locate a man's missing wife. Months earlier, she and Adam had been seriously injured while capturing a horrific criminal. Kendall healed well, but Nash had serious head and leg injuries which resulted in loss of memory. He cannot remember the loving relationship he had with Kendall before his head injuries. The missing wife is linked with the multiple serial rape events. The rapist has a unique way of leaving lasting memories on his victims... tattoos of a Reiki symbol. This story is obsessive ... I could not put it down. It's very well written, spellbinding, and thought provoking. High recommend.

---

**Lisa Kader says****Awesome series.**

Marla Madison's books are a must read. Every book I have read by this author didn't disappoint me. I can't wait to read more from this author.
