She Survived: Melissa

M. William Phelps , Melissa Schickel

She Survived: Melissa M. William Phelps , Melissa Schickel
Fighting for her life . . .

A few days before her 26th birthday, Melissa Schickel returned to her Indianapolis home and went to bed. An hour later, she was yanked from her dreams into terror. An intruder held her down, brutally beating and stabbing her.

Melissa fought fiercely. The assailant fled, leaving her to face a long road to recovery from deep-seated fear and post-traumatic stress. She tells her exclusive true story as part of a compelling narrative by bestselling crime expert M. William Phelps. Her strength and courage will inspire all women with similar experiences to think of themselves proudly as survivors—not victims.

"Phelps clearly shows how the ugliest crimes can take place in the quietest of suburbs." —*Library Journal* on *Never See Them Again*

"Phelps is a true-crime veteran."—*New York Post*

"Anything by Phelps is always an eye-opening experience." —*Suspense Magazine*

Gaynor Spanswick says

Good book ,it just wasn't the right time for me to read it.

Kelly says

The resilience of the human spirit never ceases to amaze me. Melissa Schickel, a young adult, was brutally attacked in her own home and beaten to within an inch of her life. It's a wonder she survived. This book talks about what happened after the attack and how she coped with such devastation. She's a remarkably strong young woman whom I admire greatly.

This book also talks about our justice system, which is terribly flawed. It seems that laws are designed to protect the perpetrator, not the innocent victim. However, despite this, Melissa carried on.

It's a short, easy read that will leave you in awe of this young woman.

Annette says

Letting the victim speak

It was well written. I felt bad for Michelle, glad she was able to tell her story. Good insight on how it feels to be in the victims shoes. It was a learning for me as to what happens emotionally, legally etc.
