#### **They have done it again...**

The story line is amazing. Great writing, great reading, only discrepancy I have is there is two name differences... you guys called Tish a totally different name when she was first mentioned by Dynasty and also Jean Claude was called Jean Paul in book three... this book is amazing nonetheless and so are these authors

#### **Pierre family**

Mane O mane what a read. Picked up where 2 left off an it's been drama ever since. Dynasty has a mouth on her an a happy trigger finger, so happy Tish put her on her rump. Luxe, Judah & Sebastian are alive after the attacks but now in Haiti with their grandfather. Everybody hates being in Haiti but the boys are waiting for luxe to heal but dynasty sneaks back home to Dallas causing more drama. Luxe an Leilani are waiting for their little one to arrive, Judah and diamond are good, kilo an yetta dealing with there issues but as usual Sebastian and dynasty argue fight an bring drama. Dynasty leaves Sebastian for another man but regrets it but her actions cause some family secrets to come to light that's very shocking to everybody. Ready for part 4 because it's getting juicy.

#### **When will it end?**

When will it end? Just when I thought that it was finally coming to a end, more drama is thrown at me. Dynasty is my girl but her and Sebastian both need to get right. I can't believe that Ava is still wreaking havoc from the great beyond. Really? And what's up with all these secrets coming out? Dot needs to hurry up and meet karma. Come on part 4. #UIP

Damnit, I forgot who's aunt Dot!!!! Please don't make me re-read pt.1-2 again just to get it together. Whoever aunt Dot is she knows alot, too much of you ask me. Dy, I see myself in her in a lot of ways. My mouth is off the chain. But the older I got the more I calmed down. Hope I can remember who the he'll aunt Dot is before pt. 4 comes out. I have the buy the books, paperbacks. Mz. Lady P you keep writing an I'll keep buying.....

**Jessika says****Good!!**

O...M...G... Dot though? If this wasn't a page turner then I don't know what is!!! I really hope this isn't the end. Dynasty and Sebastian worked my nerves in this one but I really need to know how their story plays out. Hopefully we don't have to wait too long for the next part (if there is one)

**Nephie Collins says****It was a good read**

I loved the book. Sebastian and Dynasty got on my nerves Jesus! All I wanted was for them to be happy. I'm glad Lelani and Luxe had their relationship together. We didn't hear too much from Judah and Diamond this time around which is alright since they worked out their issues previously. However, I think the series could've ended all in this book. No need to drag it out longer.

**Yeah This Good!!**

They say the third time is the charm and they most definitely would be right. This was one explosive story with a lot of twist and turns. The writer keeps you on the edge and doesn't let up off the the gas. I am settling in to the dynamics of the relationships, and I have to say I think my favorite couple is Judah and Diamond, not to say they don't have issues, they just handled them . I can say I really like Sebastian and Dynasty but they are so tiresome. This was so go you will hate that it ends, and on a cliffhanger! DON'T miss this installment.

**Lawd!!!**

All I can say is drama drama and more good drama. Dynasty was off the hook in this book right along with Sebastian, those two deserved each other. Just when you think the mystery is solved here comes a thicker plot full of twists and turns. I wonder what Aunt Dot have in store for the crew now.

**???**

I was excited to have this series return and introduction was crazy. Dynasty still my favorite character and with the revelation behind her mother Tishs character the plot thickened. I'm anxious to see if the plan to take down the Baptiste family upholds with Marcell only knowing this family most of his life.

**Shontay Robinson says**

**OMG!!!!??? THIS JUST LEFT ME SPEECHLESS**

Whyyyy!!! Another cliffhanger, it was getting soooo good... I can't wait for 4, please don't have us waiting I can't take it. Job well down ?? this book was everything. I got a feeling that baby might be Marcell, and Dot shady ass Leanli (spell check) need the put a hot one in her mom fr!!

**Another banger!!**

Those St. Pierre Boys just can't catch a break! Every time they turn a corner, there's someone gunning for them. I really hope that Dynasty's baby is Sebastians, and they can work it out. I love Luxe and Leilani's relationship. I was hoping that after waiting forever for this book that I wouldn't be disappointed, and I definitely wasn't. I can't believe all the secrets and lies that keep coming out. This series has been great so far. I can't wait for the next part!

**Princess Diamond says**

I would say great finale, but I got a feeling part 4 is in the works \*smiles\*
