On the red moon will come the firestorm...

Wielding the Sword of Truth, Richard Rahl has battled death itself and come to the defense of the D'Haran people. But now the power-mad Emperor Jagang confronts Richard with a swift and inexorable foe: a mystical plague cutting a deadly swath across the land and slaying thousands of innocent victims.

To quench the inferno, he must seek remedy in the wind...

To fight it Richard and his beloved Kahlan Amnell will risk everything to uncover the source of the terrible plague-the magic sealed away for three millennia in the Temple of the Winds.

Lightning will find him on that path...

But when prophecy throws the shadow of betrayal across their mission and threatens to destroy them, Richard must accept the Truth and find a way to pay the price the winds demand...or he and his world will perish.

Book 5: *Soul of the Fire*

Sequel to the *New York Times* bestselling *Temple of the Winds*

Richard Rahl has traveled far from his roots as a simple woods guide. Emperor of the D'Haran Empire, war wizard, the Seeker of Truth--none of these roles mean as much to him as his newest: husband to his beloved Kahlan Amnell, Mother Confessor of the Midlands.

But their wedding day is the key that unlocks a spell sealed away long ago in a faraway country. Now a deadly power pours forth that threatens to turn the world into a lifeless waste.

Separated from the Sword of Truth and stripped of their magic, Richard and Kahlan must journey across the Midlands to discover a dark secret from the past and a trap that could tear them apart forever. For their fate has become inextricably entwined with that of the Midlands--and there's no place so dangerous as a world without magic...

Book 6: *Faith of the Fallen*

Sequel to the *New York Times* bestselling *Soul of the Fire*

Terry Goodkind author of the enormously popular *Sword of Truth* novels, has forged perhaps his best novel yet, pitting Richard Rahl and Kahlan Amnell against threats to the freedom of the world that will take them to opposite ends of the world to defeat the forces of chaos and anarchy.

Emperor Jagang is rising once again in the Old World and Richard must face him, on his own turf. Richard heads into the Old World with Cara, the Mord-Sith, while his beloved Kahlan remains behind. Unwilling to heed an ancient prophecy, Kahlan raises an army and goes into battle against forces threatening armed insurrection in the Midlands.

Separated and fighting for their lives, Richard and Kahlan will be tested to the utmost.

Revisiting this book made me cringe at the treatment of women and humans in general. Trauma porn.

Cr Dillon says

After reading the first boxed set, I eagerly read through the second boxed set. Each novel follows the same structure as the first 3 books, introducing new realms and new characters. The only problem I have with these books is that a good 1/4 of each novel is spent delving into the new realm or environment in which Richard and Kahlan are thrown into. It's a great backstory, but it is too much backstory. It's a little frustrating because I want to read more of the main characters, and it seems like some of the original minor characters like Verna and Ann get set aside in this set.

This is one of the first fantasy series that I've read that is really gritty, so there are lots of bad things happening throughout the novels (just like in the first boxed set).

Overall, I'm very eager to continue with the 3rd boxed set!

This series was great. Even my mother has enjoyed them.

Tammy Dorrycott says

Read them as they each were released good read

D.E. Wyatt says

And this is where the series first begins to go off the rails.

Temple of the Winds is still fairly solid fantasy along the lines of books 1-3. Unfortunately, books 5 and 6 begins to turn the series into heavy-handed author tracts. It's not that the author using his books to share his philosophy is a bad thing. The problem is, Goodkind pounds you over the head with it with all the subtlety of a sledgehammer. And then he'll repeat whatever excessively verbose rant on self-determination is the theme of this particular book a good half a dozen times word-for-word.

This REALLY dragged down the middle books of the series, which is a shame, because when Goodkind actually focuses on writing fantasy and rich characters he's quite good.

Suluhishi Heru says

Incredible. Richard Rahl is a bang up, thinking warrior!

Temple of the Winds

I loved this book. This book is so dark. I like how Emperor Jagang is now getting into the picture. He is bad guy trying to exterminate magic. The man seems hypocritical because he uses magic himself. I dislike Nadine Brighton. I think she should get out of Richard's life. I really like the mord-sith. Cara is my favorite. I really like Kahlan too. Sometimes I wonder though about Nathan. Ann says how he is a dangerous man. It's interesting how he is on his own. Nathan does really great things while on his journey. Richard Rahl is forced to make hard decisions that even cost him his life and wife. The Sliph is an interesting character. Though she also creates a problem. The constant battles fought are very exciting. I like how there are a bunch of characters. The author does a great job without getting people lost. I like how he makes references to the previous books in the series.

Soul of the Fire

Another great book. I really love this one. Though I do get very tired of the people of Anderith. A lot of things unravel in this part of the midlands. Richard learns many lessons while he is there. In all the books I have faith in Richard. I think it's pretty amazing how Du Chaillu and Kahlan get along. Kahlan ecen trusts her with a big secret. I never thought until the end of the book how Richard may get rid of the chimes. I thought Zedd was gone. It was great to see him come back. I was really unhappy though what happened to Kahlan at the end. There is so much action and suspense. This is my favorite fantasy series.

Faith of the Fallen

This series still continues to amaze me. This book is really special. Richard really gets to know his enemy. This is one of my favorite books in the whole series. This is by far the best fantasy series ever made.

Sister Nicci is very frightening. She has Kahlan in this spell. If anything happens to Nicci it happens to Kahlan. Richard must do as Nicci says.

Richard always manages to defeat his enemy and finish his task at hand. Richard is very heroic. It goes through these tasks of pain each time. Goodkind really shows evil in a true picture,

I like how Richard can change some of the characters through kindness. He is a very persuasive. He makes the characters see better through their life and turn away from evil to side of good.

Joh05043 says

The story line was amazing. I could never tell what was going to happen next. I loved the insights and psychology behind the characters actions/ reactions. However, this book was way to graphic. It is about battle between good and evil, but the evil portrayed in this book was way to dark, graphic, and explicit for me. I read the whole series to get closure and see how it ends, but I will never be able to make myself go through the trauma of reading them again. As soon as I finished the series, I gave all my books away.

Katrina D'amour says

I loved all of them. A bit graphic but intense

D'Jasper Probincruux III says

Rating this instead of soul of the fire because the description of the book is in Spanish, and I don't want a bunch of recommendations for Mexican novels.

Mark says

This series never let me down.

Garrett says

I love this entire series.
