### **Sophia Triad says**

I love Lora Leigh's breeds...

We have had stories about feline breeds, about wolf breeds and about coyote breeds. What is lacking is at least a full length story about eagle breeds.

This is a short story about Keegan, the Eagle breed. Is he the same we meet in several breed books? Probably.

This is about the first time Keegan shares intimate moments with his sweetheart Nikki.

Talking about a different kind of breeds, the approach and the study of this eagle breed is definitely interesting and worth paying more attention.

Can I have some more please?

### **Katie\_la\_geek says**

I had some issues with this one. It kinda icked me out a little. I can take a lot but feathers up bums...not so much.

---

### **Netanella says**

Short story featuring Keegan of the Winged Breeds.

---

### **Serena says**

My Rating System:

\* couldn't finish, \*\* wouldn't recommend, \*\*\* would recommend, \*\*\*\* would read again, \*\*\*\*\* have read again.

---

### **Carrie says**

Dirty, dirty, dirty (in a good way). This was a super quick read that showed the shapeshifters coupling of an eagle shifter (Keegan) and Nikki. I'm not quite sure what the background is or who they are individually, but

this scene is HOT.

---

**Mara says**

Short story. If you like Breeds, you'll like this too.

---

**Phade says**

Short story.. Makes me wonder if we'll see a devoted book to this breed. We've only seen them briefly in the other books.

---

**Lynne says**

I have looked high and low for this story and I cannot find it. Does anyone know where I can find it? I really liked Keegan in the books he had a slight mention in.
